ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Trefl Frame Puzzle:

1. **Examine the Pieces:** Familiarize yourself with the 25 large puzzle pieces. Observe their shapes and the parts of the image they represent.
2. **Identify Edge Pieces:** Although this is a frame puzzle, you can still identify pieces that form the outer boundary of the image if you wish, though the frame itself provides the boundary.

3. **Match Shapes and Colors:** Begin connecting pieces that fit together by shape and color. The bright colors and clear images are designed to guide young assemblers.
4. **Utilize the Frame:** The sturdy frame and fixed base provide a stable area, allowing children to assemble the puzzle independently without pieces sliding away.
