FelixKing FK938

FelixKing FK938 Ergonomic Office Chair User Manual

1. INTRODUCTION

Thank you for choosing the FelixKing FK938 Ergonomic Office Chair. This manual provides essential information for the assembly, operation, and maintenance of your new chair. Please read these instructions carefully before use to ensure proper function and longevity of the product.

The FelixKing FK938 chair is designed for comfort and support, featuring a breathable mesh back, adjustable height, 360-degree swivel, 30-degree recline, and flip-up armrests. Its ergonomic design aims to reduce pressure and support the natural curve of your spine during extended periods of sitting.

2. SAFETY INFORMATION

- **Maximum Weight Capacity:** This chair is designed to support a maximum weight of 150 kilograms (approximately 330 lbs). Do not exceed this limit.
- Ensure all screws and bolts are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand on the chair or use it as a step stool.
- Avoid placing heavy objects on the chair's backrest or armrests.
- Keep children away from moving parts during adjustment.
- Use the chair on a flat, stable surface.

3. PACKAGE CONTENTS

Before beginning assembly, please ensure all components are present and undamaged. All necessary parts and tools for assembly are included in the packaging.

If any parts are missing or damaged, please contact customer service immediately.

4. ASSEMBLY INSTRUCTIONS

Assembly of the FelixKing FK938 chair is designed to be straightforward and can typically be completed within 15 minutes using the provided English instructions and tools.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Attach the casters to the chair base.
3. Insert the gas lift cylinder into the center hole of the chair base.
4. Attach the seat mechanism to the underside of the seat cushion using the provided screws.
5. Connect the backrest to the seat assembly.
6. Carefully place the assembled seat onto the gas lift cylinder.
7. Ensure all connections are secure before using the chair.

For a visual guide on assembly and features, please refer to the official product video below:

5. OPERATING INSTRUCTIONS

5.1 Height Adjustment

To adjust the chair's height, pull the lever located under the seat upwards while applying or releasing body weight. Release the lever at the desired height.

Ajustement de 10 cm en hauteur

La manette de contrôle permet de régler la hauteur de la chaise en fonction de votre taille, vous procurant une assise plus confortable.

Figure 2: Illustration of chair height adjustment mechanism.

5.2 Recline/Tilt Function

The chair features a 30-degree recline function. Pull the lever located under the seat outwards to enable tilting. Push the lever inwards to lock the chair in an upright position. The tension of the recline can also be adjusted using the knob under the seat.

L'angle du dossier de la chaise est ajustable et peut être incliné vers l'avant ou l'arrière.

Tirez la manette vers l'extérieur pour incliner la chaise
Tirez vers l'intérieur pour verrouiller la position

La résistance est ajustable

Figure 3: Diagram showing the chair's recline mechanism and adjustment.

5.3 Flip-up Armrests

The armrests can be rotated 90 degrees upwards, allowing the chair to be pushed further under a desk for space-saving storage.

Accoudoir ajustable à 90 degrés

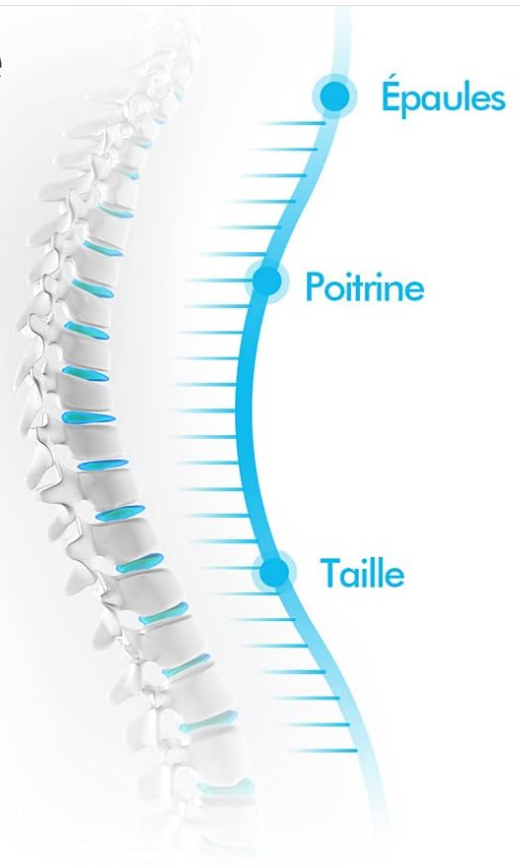

L'accoudoir peut se relever de 90 degrés, idéal pour ranger la chaise.

Figure 4: Illustration of the 90-degree flip-up armrest feature.

5.4 Lumbar Support

The chair's mesh back is designed with an ergonomic S-shaped curve to provide optimal lumbar support. The lumbar support component can be adjusted vertically to align with your lower back for personalized comfort.

Dossier ergonomique

Conçu pour épouser la courbe en S du corps humain, le dossier permet de réduire les pressions sur la taille et le bassin, tout en vous faisant garder une posture détendue lors de longues périodes de travail.

Figure 5: Depiction of the ergonomic backrest and adjustable lumbar support.

5.5 Swivel Function

The chair features a 360-degree swivel function, allowing for easy movement and access to your workspace.

6. MAINTENANCE

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the mesh or frame.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Casters:** Keep the casters free of debris (hair, dust, etc.) to ensure smooth movement.

7. TROUBLESHOOTING

If you encounter any issues with your FelixKing FK938 chair, please refer to the following common problems and solutions:

- **Chair does not stay at desired height:** This may indicate an issue with the gas lift cylinder. Ensure the height adjustment lever is fully engaged. If the problem persists, the gas lift may need replacement.
- **Chair wobbles or feels unstable:** Check all assembly screws, particularly those connecting the seat mechanism to the seat and the backrest. Re-tighten any loose screws. Ensure the chair is on a level surface.
- **Casters do not roll smoothly:** Inspect casters for trapped debris (hair, lint) and clean them thoroughly.

If these steps do not resolve the issue, please contact FelixKing customer service for further assistance.
