

X-Bull R1

X-Bull R1 Ergonomic LED Gaming Desk User Manual

Model: R1 | Brand: X-Bull

1. INTRODUCTION

This manual provides essential information for the safe and efficient use of your X-Bull R1 Ergonomic LED Gaming Desk. Please read these instructions carefully before assembly and operation, and retain them for future reference. The X-Bull R1 desk features a durable carbon fiber surface, integrated LED lighting, and various accessories designed to enhance your gaming or work experience.

2. SAFETY INFORMATION

- Ensure all components are present and undamaged before beginning assembly.
- Assemble the desk on a soft, clean surface to prevent scratches or damage.
- Do not overtighten screws during assembly to avoid stripping threads or damaging components.
- Keep small parts and packaging materials away from children and pets.
- Do not exceed the desk's weight capacity (specific capacity not provided, use caution).
- Ensure the desk is stable and level before placing any equipment on it.
- Disconnect the LED power supply before cleaning or moving the desk.

3. PACKAGE CONTENTS

Verify that all the following components are included in your package:

- Desk Surface (Carbon Fiber Coated)
- Desk Frame Components (Steel Legs, Support Beams)
- Adjustable Leveling Feet
- Full-Size Mouse Pad (integrated or included)
- Beverage Holder
- Headphone Hook
- Gamepad/Controller Holder

- Cable Management Holes and Compartment
- V3 Stabilizer Bars
- LED Lighting Strip
- LED Remote Control
- Assembly Hardware (Screws, Allen Key, etc.)

4. SETUP AND ASSEMBLY

Follow these general steps for assembling your X-Bull R1 Gaming Desk. Refer to the included diagrams for specific component identification and placement.

1. **Unpack and Inspect:** Carefully unpack all components and verify them against the package contents list.
2. **Assemble Frame:** Begin by assembling the main desk frame components. Secure all connections with the provided hardware, but do not fully tighten until the entire frame is assembled.
3. **Attach Desk Surface:** Carefully place the desk surface onto the assembled frame. Align the screw holes and secure the surface to the frame. Now, fully tighten all frame screws.
4. **Install Stabilizer Bars:** Attach the V3 stabilizer bars to the designated points on the desk frame for

enhanced stability.

5. **Attach Adjustable Feet:** Screw the adjustable leveling feet into the bottom of each desk leg.
6. **Install Accessories:** Mount the beverage holder, headphone hook, and gamepad holder in your preferred locations.
7. **Connect LED Lighting:** Securely attach the LED lighting strip to the designated area on the desk. Connect the LED power cable to the strip and a power source.

5. OPERATING INSTRUCTIONS

5.1 LED Lighting System

The X-Bull R1 Gaming Desk features integrated LED lighting to enhance your gaming environment. Use the provided multifunction remote control to operate the lights.

- **Power On/Off:** Press the power button on the remote to turn the LEDs on or off.
- **Color Selection:** Use the color buttons to choose from various static colors.
- **Mode Selection:** Select different dynamic lighting modes (e.g., flash, fade, strobe) using the 'MODE' button.
- **Brightness/Speed Adjustment:** Use the 'BRIGHT' or 'SPEED' buttons to adjust the intensity of the lights or the speed of dynamic modes.

5.2 Adjustable Feet

The desk is equipped with adjustable feet to ensure stability on uneven floor surfaces.

- To adjust, simply rotate each foot clockwise to raise the corner or counter-clockwise to lower it.
- Adjust each foot individually until the desk is level and does not wobble.

5.3 Cable Management

The X-Bull R1 desk includes features to help organize your cables:

- **Cable Holes:** Utilize the two integrated cable management holes on the desk surface to route your PC, monitor, and peripheral cables neatly.
- **Cable Management Compartment:** An under-desk compartment is provided to store excess cable length, power strips, or adapters, reducing clutter on and around your desk.

6. MAINTENANCE

- **Cleaning the Surface:** Wipe the carbon fiber desk surface with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.

- **LED Care:** Keep the LED strip and remote control dry. Do not attempt to disassemble or modify the LED components.
- **General Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

- **Desk is Wobbly:**
 - Ensure all assembly screws are securely tightened.
 - Adjust the leveling feet to ensure the desk is stable on an uneven floor.
 - Verify that the V3 stabilizer bars are correctly installed.
- **LED Lights Not Working:**
 - Check that the LED power cable is properly connected to both the desk and a working power outlet.
 - Ensure the remote control battery is not depleted.
 - Verify the remote control is pointed towards the LED receiver (if applicable).
- **Missing Parts:**
 - If you find any parts missing upon unpacking, please contact customer support immediately with your purchase details.
