The spacious 66W x 72D desktop provides ample room for multiple monitors, a laptop, and other office equipment. Distribute weight evenly across the surface and avoid placing excessively heavy items in one concentrated area.

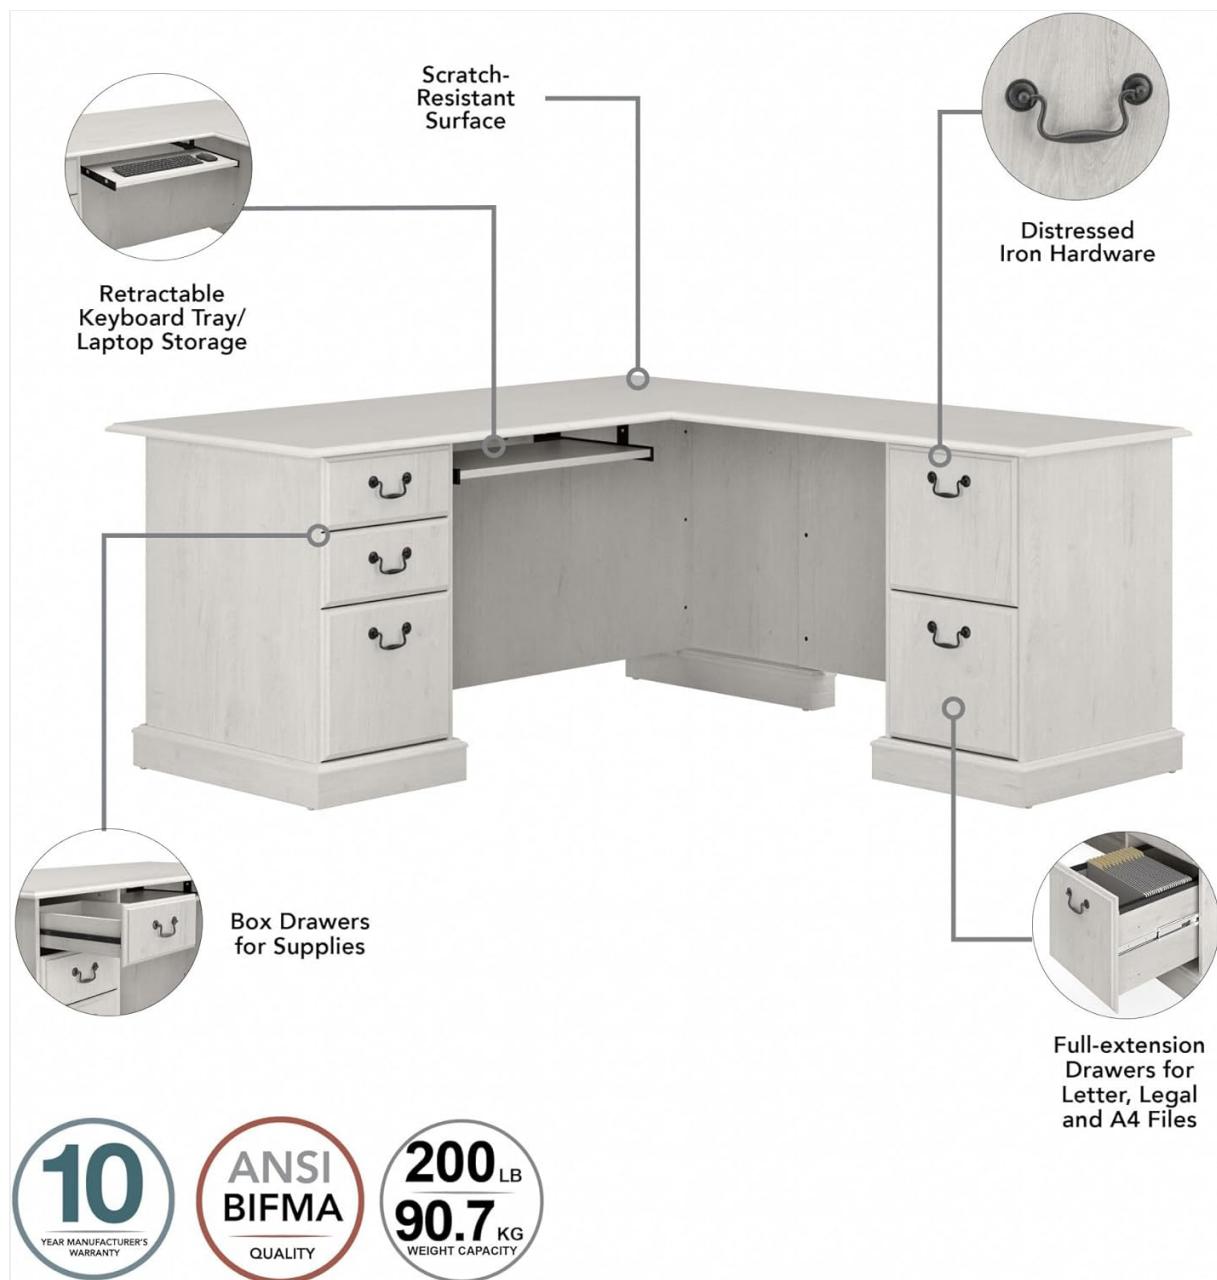

### 5.2 Drawer Operation

The desk features five drawers for organization:

- **File Drawers (3):** These drawers are designed to hold letter, legal, and A4-size paperwork. They operate on smooth full-extension ball bearing slides, allowing easy access to the entire drawer contents.
- **Box Drawers (2):** Use these smaller drawers for storing office supplies such as pens, staplers, and

notebooks.

To open a drawer, gently pull the handle. To close, push firmly until it is fully seated. Avoid slamming drawers to prolong the life of the slides.
