**REVLON 133244**

# REVLON ColorStay Satin Ink Liquid Lipstick

MODEL: 019 MY OWN BOSS (133244)

## 1. Introduction

---

The REVLON ColorStay Satin Ink Liquid Lipstick is designed for long-lasting wear with a comfortable satin finish. This liquid lipstick is formulated with Black Currant Seed Oil and Vitamin E to help maintain lip comfort and prevent cracking. It offers vibrant, highly pigmented color that can last for up to 16 hours.

## 2. Setup

Before applying, ensure your lips are clean and dry. For optimal results, gently exfoliate lips if necessary to create a smooth surface.

### Preparing the Applicator:

Twist the cap to open the liquid lipstick. The product comes with a pointed precision-tip applicator designed for accurate and even application.

# Pointed Precision-Tip Applicator

Image 2.1: Close-up of the pointed precision-tip applicator.

## 3. Operating Instructions (Application)

---

1. **Define Lips:** Use the pointed tip of the applicator to carefully outline the natural curve of your lips. This helps create a clean and defined edge.
2. **Fill in Color:** Use the soft, flat side of the doe-foot applicator to fill in your lips with color, starting from the center and moving outwards.
3. **Allow to Set:** For best long-wear performance, allow the liquid lipstick to set for approximately one minute without pressing your lips together. This helps the formula adhere and dry to its satin finish.

For a more intense color, apply a second thin layer after the first has dried.

## 4. Maintenance

---

### Storage:

Store the liquid lipstick in a cool, dry place away from direct sunlight to maintain product integrity and extend shelf life. Ensure the cap is tightly closed after each use.

## Removal:

To remove, use an oil-based makeup remover or a bi-phase cleanser. Apply the remover to a cotton pad and gently press onto lips for a few seconds before wiping away. Repeat until all product is removed.

## 5. Ingredients

The Revlon ColorStay Satin Ink Liquid Lipstick is formulated with moisturizing ingredients to ensure comfort and prevent dryness.

## 7. Troubleshooting

- **Uneven Application:** Ensure lips are smooth and dry before application. Apply in thin, even layers. If lips are dry or flaky, gently exfoliate prior to use.
- **Tackiness:** Allow sufficient time (approximately one minute) for the product to fully set after application. Avoid pressing lips together during this drying period.
- **Color Transfer:** While designed for long wear, some initial transfer may occur before the product fully sets. Once dry, transfer should be minimal.

## 8. Specifications

Feature	Detail
Product Name	Revlon ColorStay Satin Ink Liquid Lipstick
