### Bush Furniture CAB005MW

## Bush Furniture Cabot 60W L Shaped Computer Desk with Hutch and Lateral File Cabinet

MODEL: CAB005MW

### Product Overview

The Bush Furniture Cabot 60W L Shaped Computer Desk with Hutch and Lateral File Cabinet provides a complete home office solution. This furniture set is designed for functionality and organization, featuring a spacious L-shaped desk surface, integrated storage, and a lateral file cabinet. The desk includes wire management and a built-in USB outlet for convenience. The hutch offers additional shelving and a closed compartment, while the file cabinet accommodates letter, legal, and A4-size documents.

# Safety Information

## Important Safety Instructions:

- Always secure the desk to the wall using the provided wall attachment hardware to prevent tipping. This is crucial for family-friendly safety.
- Do not place heavy items on the desk that exceed the maximum weight limit of 200 pounds (90.7 kg). Overloading can compromise stability and cause damage.
- Ensure all assembly hardware is tightened securely before use. Periodically check and re-tighten fasteners as needed.

## Setup and Assembly

Assembly of the Bush Furniture Cabot L Shaped Computer Desk, Hutch, and Lateral File Cabinet is required. For optimal safety and efficiency, it is recommended that **two people** participate in the assembly process.

### Recommended Tools for Assembly:

- Hammer
- Screwdriver (Phillips head and flathead may be required)

Please refer to the detailed assembly instructions included in the product packaging for step-by-step guidance. Ensure all parts are present before beginning assembly.

## Operating Instructions

This furniture set is designed for efficient use in a home office environment.

- Desk Surface:** The 60W L-shaped desktop provides ample space for computers, monitors, and work materials. It supports up to 200 pounds.
- Wire Management:** Utilize the built-in wire management grommets on the desk surface to keep power cords and cables organized and out of the way.
- Built-in USB Outlet:** The desk features a built-in USB outlet for convenient charging of electronic devices. Connect your devices directly to the desk for power.
- Desk Storage:** The desk includes a storage cabinet with one adjustable shelf and a file drawer with a box drawer. The file drawer is designed to accommodate letter, legal, and A4-size paperwork.
- Hutch Storage:** The hutch offers a closed compartment behind a fluted glass door, along with right and left shelves for flexible storage and display. Multiple open cubby spaces are ideal for frequently accessed items.

- **Lateral File Cabinet:** The two spacious drawers of the lateral file cabinet open on smooth full-extension ball bearing slides, allowing easy access to letter, legal, and A4-size documents. Each drawer supports up to 60 pounds.

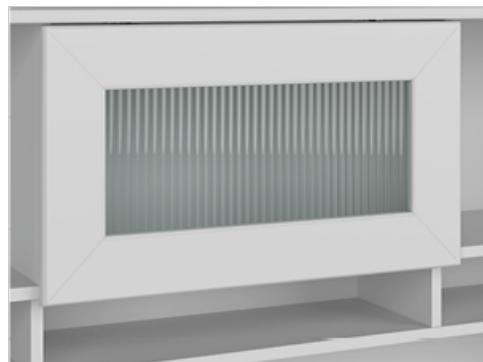

Image 7: Detail of the fluted glass door on the hutch, providing concealed storage with a stylish accent.

## Maintenance

To maintain the appearance and longevity of your Bush Furniture Cabot set, follow these care instructions:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Protection:** The finish on this furniture is durable but can be susceptible to scratches from sharp objects or heavy impact. Consider using desk pads or coasters to protect the surface from spills and scratches.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.

## Troubleshooting

If you encounter issues with your furniture, consider the following:

- **Stability Issues:** If the desk feels wobbly, ensure all assembly hardware is fully tightened. Verify that the desk is placed on a level surface. Re-check wall attachment hardware if applicable.
- **Drawer Operation:** If drawers do not slide smoothly, check for obstructions in the tracks. Ensure the drawer slides are properly aligned and free of debris.
- **Surface Scratches:** The furniture's finish can scratch with heavy use or impact. To prevent further damage, consider placing a protective mat or glass top on the desk surface.
