Hasbro Marvel Legends Series Marvel's Captain Carter Action Figure Instruction Manual

Model: F0331

INTRODUCTION

This manual provides essential information for the assembly, operation, and care of your Hasbro Marvel Legends Series Marvel's Captain Carter 6-inch scale action figure. Please read these instructions carefully to ensure proper handling and to maximize your enjoyment of this collectible item.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts may be generated. Not for children under 3 years. Adult supervision is recommended during assembly and play, especially with smaller components.

PACKAGE CONTENTS

Your Marvel Legends Series Marvel's Captain Carter action figure package includes the following items:

- 1x Marvel's Captain Carter 6-inch Action Figure
- 1x Shield Accessory
- 2x Build-a-Figure Parts (typically for 'The Watcher' series)

SETUP AND ASSEMBLY

The Captain Carter figure comes pre-assembled. However, accessories and Build-a-Figure parts may require attachment. Follow these general guidelines:

1. **Unboxing:** Carefully remove the figure and all accessories from the packaging. Retain packaging for future storage if desired.
2. **Attaching the Shield:** The shield accessory is designed to fit onto the figure's left arm. Gently slide the arm through the straps on the back of the shield.
3. **Build-a-Figure Parts:** These parts are intended for assembly with other figures in the same series to create a larger character. Refer to the specific instructions provided with other figures for complete Build-a-Figure assembly.

OPERATING (POSING AND DISPLAY)

The Marvel's Captain Carter figure features multiple points of articulation, allowing for a wide range of dynamic poses. Exercise care when adjusting joints to prevent damage.

- **Joint Movement:** Gently manipulate joints at the neck, shoulders, elbows, wrists, torso, hips, knees, and ankles to achieve desired poses.
- **Accessory Placement:** Ensure the shield is securely attached to the arm.
- **Stability:** For standing poses, ensure the figure's feet are flat on a stable surface. Adjust leg and ankle joints for balance.

To keep your action figure in optimal condition:

- **Cleaning:** Wipe the figure gently with a soft, dry cloth to remove dust. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the figure away from direct sunlight, extreme temperatures, and high humidity to prevent discoloration or material degradation.
- **Joint Care:** If joints become stiff, gently warm the area with warm water or a hairdryer on a low setting for a few seconds to loosen them before attempting to move.

TROUBLESHOOTING

Encountering issues with your figure?

- **Stiff Joints:** As mentioned in Maintenance, apply gentle heat to the joint area to increase flexibility. Do not force movement.
- **Loose Joints:** If a joint is too loose, a small amount of clear nail polish or a specialized joint-tightening fluid can be applied to the peg and allowed to dry, creating a tighter fit.
- **Missing Parts:** If any parts were missing from the original packaging, please contact the retailer or manufacturer's customer support.
