FORABEST YY-3166

FORABEST 1.5L Replacement Stainless Steel Container

For Electric Lunch Box Model: YY-3166

INTRODUCTION

This document provides essential information regarding the FORABEST 1.5L Replacement Stainless Steel Container. This container is specifically designed as a compatible inner tray for the FORABEST Electric Lunch Box, Model YY-3166. It is intended to replace an existing container or provide an additional one for meal preparation and storage.

COMPATIBILITY

This stainless steel container is **only compatible** with the FORABEST 1.5L Electric Lunch Box, Model YY-3166. It is not designed for use with other FORABEST models or electric lunch boxes from different brands. Please verify your lunch box model before use to ensure proper fit and function.

SETUP AND INSTALLATION

The FORABEST 1.5L Replacement Stainless Steel Container is designed for easy integration into your compatible electric lunch box. Follow these steps for proper setup:

1. **Unpack:** Carefully remove the stainless steel container from its packaging.
2. **Initial Cleaning:** Before first use, wash the container thoroughly with warm, soapy water. Rinse completely and dry. Refer to the [Maintenance and Care](#) section for detailed cleaning instructions.
3. **Placement:** Open the lid of your FORABEST Electric Lunch Box (Model YY-3166). Gently place the cleaned stainless steel container into the designated compartment within the lunch box. Ensure it sits flat and securely.

4. **Filling:** Once installed, the container is ready to be filled with your desired food items.

304 Stainless steel - Easy to clean

OPERATING INSTRUCTIONS

This stainless steel container functions as the food-holding component within the FORABEST Electric Lunch Box. It does not have independent operating functions. Its operation is directly tied to the use of the electric lunch box itself.

- **Food Preparation:** Place your prepared food directly into the stainless steel container. The 1.5L capacity is generous for a single meal.
- **Sealing:** Ensure the container is properly seated within the electric lunch box and the lunch box lid is securely closed and latched to prevent spills and maintain temperature.
- **Heating:** Refer to the instruction manual of your FORABEST Electric Lunch Box (Model YY-3166) for specific heating procedures. The stainless steel container is designed to efficiently transfer heat from the lunch box's heating element

to your food.

- **Serving:** After heating, carefully remove the container from the lunch box. The container may be hot, so use caution or appropriate heat protection.

MAINTENANCE AND CARE

Proper cleaning and maintenance will extend the life of your stainless steel container and ensure food safety.

- **Dishwasher Safe:** The FORABEST 1.5L Stainless Steel Container is dishwasher safe. Place it on the top rack for best results.
- **Hand Washing:** For hand washing, use warm water and a mild dish soap. A soft sponge or cloth is recommended. Avoid abrasive scrubbers or harsh chemicals that could scratch the stainless steel surface.
- **Rinsing:** Rinse thoroughly to remove all soap residue.
- **Drying:** Dry the container completely after washing to prevent water spots and maintain its luster.
- **Storage:** Store the clean, dry container in a cool, dry place.

TROUBLESHOOTING

As a simple container, troubleshooting is minimal. Most issues would relate to the main electric lunch box unit.

Problem	Possible Cause	Solution
Container does not fit in lunch box.	Incorrect lunch box model.	Ensure your lunch box is FORABEST Model YY-3166. This container is not universally compatible.

Problem	Possible Cause	Solution
Food not heating properly (within container).	Issue with the electric lunch box unit.	Refer to the troubleshooting section of your FORABEST Electric Lunch Box (Model YY-3166) manual. Ensure the lunch box is powered on and functioning correctly.
Container appears stained or discolored.	Food residue or hard water spots.	Clean thoroughly with warm, soapy water. For stubborn stains, a paste of baking soda and water can be used, then rinse well. Dry immediately after washing.
