Fiodio FK-2063-US

Fiodio FK-2063 Mechanical Gaming Keyboard User Manual

Brand: Fiodio | Model: FK-2063-US

1. PRODUCT OVERVIEW

The Fiodio FK-2063 is a wired mechanical gaming keyboard designed for an immersive gaming and typing experience. It features RGD blue switches, dedicated media controls, and an aluminum top case for durability. All 104 keys are anti-ghosting, ensuring precise input during intense gaming sessions.

Key Features:

- **Greater Immersion with RGB Backlit:** Equipped with 20 backlight color effects presets, delivering dynamic and vibrant lighting effects with adjustable breathing frequency.
- **Gaming with “Clicky” BGM:** Classical blue equivalent switches trigger sensitively with crisp click sound, providing precise and unique typing/gaming performance.
- **Without any Procedure Error:** All 104 anti-ghosting keys have individual switches with full n-key rollover for ultimate gaming performance, allowing for accurate execution.
- **Ergonomic and High-Quality:** Precision engineered keycaps, 2 anti-slip feet, and 2 angle feet on the back of the keyboard relieve hand fatigue and provide comfort during extended use.
- **Splash-proof Design:** Durable Metal-ABS construction designed to withstand spilled drinks or coffee.
- **Unrivalled Durability:** Tested over 60,000,000 keystrokes, ensuring a longer service life.
- **Great Compatibility:** Compatible with Windows 2000 / 2003 / XP / Vista / Win7 / Win8 / Win10.

2. PACKAGE CONTENTS

Please check the package contents to ensure all items are present:

- Fiodio FK-2063 Mechanical Gaming Keyboard
- USB Cable (integrated)
- User Manual (this document)

3. SETUP GUIDE

1. **Unpack the Keyboard:** Carefully remove the Fiodio FK-2063 keyboard from its packaging.
2. **Connect to Computer:** Plug the integrated USB cable from the keyboard into an available USB port on your desktop, laptop, or PC.
3. **Driver Installation (Plug & Play):** The keyboard is plug-and-play. Your operating system (Windows 2000 / 2003 / XP / Vista / Win7 / Win8 / Win10) should automatically detect and install the necessary drivers. No additional software installation is typically required.
4. **Position the Keyboard:** Place the keyboard on a stable, flat surface. Adjust the two angle feet on the back of the keyboard for your preferred typing angle to enhance ergonomic comfort.

4. OPERATING INSTRUCTIONS

4.1 RGB Backlight Control

The Fiodio FK-2063 keyboard features vibrant RGB backlighting with multiple effects. Use the dedicated "Fiodio" button and function keys to customize your lighting experience.

- **Changing Lighting Modes:** Press the dedicated "Fiodio" button located on the top right of the keyboard to cycle through 20 preset backlight effects.
- **Adjusting Brightness:** Use the combination of the **Fn** key (Function key) and the **Up/Down Arrow** keys to increase or decrease the backlight brightness.
- **Adjusting Breathing/Effect Speed:** Use the combination of the **Fn** key and the **Left/Right Arrow** keys to adjust the speed of dynamic lighting effects.

MULTI-FUNCTION DIGITAL DIAL

Switched Backlight Modes According to Your Own Needs

Figure 4.2: A close-up view of the multi-function digital dial, used for adjusting backlight modes and potentially other settings.

4.2 Media Controls

The keyboard features dedicated media controls for convenient audio management.

- **Volume Control:** The multi-function digital dial (located near the Fiodio button) can be used to adjust the system volume. Rotate the dial clockwise to increase volume and counter-clockwise to decrease volume.
- **Mute/Unmute:** Press the multi-function digital dial to mute or unmute the audio.
- **Other Media Functions:** Specific function keys (F1-F12) may have secondary media functions (e.g., Play/Pause, Next Track, Previous Track) when pressed in combination with the **Fn** key. Refer to the keycap legends for specific icons.

4.3 Anti-Ghosting and N-Key Rollover

The Fiodio FK-2063 keyboard is designed with full 104-key anti-ghosting and N-key rollover. This means that every key press is registered accurately, even when multiple keys are pressed simultaneously, which is crucial for fast-paced gaming.

5. CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your Fiodio FK-2063 keyboard, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the keyboard with a soft, dry cloth. For deeper cleaning, use compressed air to remove dust and debris from between the keycaps. You may gently remove keycaps for thorough cleaning if necessary, but exercise caution to avoid damaging the switches.
- **Spill Protection:** While the keyboard features a splash-proof design, it is not fully waterproof. Avoid submerging the keyboard in liquids. In case of accidental spills, immediately unplug the keyboard, wipe off the liquid, and allow it to air dry completely before reconnecting.
- **Storage:** When not in use, store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Force:** Do not apply excessive force to the keys or attempt to disassemble the keyboard, as this may void the warranty and cause damage.

Spill-resistant Protection

6. TROUBLESHOOTING

If you encounter issues with your Fiodio FK-2063 keyboard, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Keyboard not responding.	Loose USB connection, faulty USB port, driver issue.	Ensure the USB cable is securely plugged into both the keyboard and the computer. Try a different USB port. Restart your computer.
Backlight not working or inconsistent.	Lighting mode off, brightness set too low, software conflict.	Press the "Fiodio" button to cycle through modes. Adjust brightness using Fn + Up Arrow. Ensure no conflicting software is running.

Problem	Possible Cause	Solution
Keys not registering or ghosting.	Debris under keycap, rare hardware issue.	Clean the affected key area with compressed air. If the issue persists, contact Fiodio support.
Media controls not working.	Software conflict, incorrect key combination.	Ensure no other media player software is interfering. Verify correct Fn key combinations.

If the problem persists after trying these steps, please contact Fiodio customer support for further assistance.
