ADAX B08MXKX3JQ

ADAX Men's Leather Flip Flops Instruction Manual

Model: B08MXKX3JQ

1. PRODUCT OVERVIEW

The ADAX Men's Leather Flip Flops are designed for comfort and durability, suitable for various indoor and outdoor activities. They feature a non-slip rubber outsole, a dual-density EVA midsole for cushioning, and a comfortable leather thong strap.

2. KEY FEATURES

- **Non-Slip Outsole:** Features a wear-resistant rubber outsole designed for excellent grip in various conditions, including wet environments like swimming pools, bathrooms, and beaches.
- **Dual-Density EVA Midsole:** Provides good cushioning and shock absorption. The slight arch support design enhances foot comfort and relaxation. Constructed from high-density material for long-lasting use.
- **Comfortable Strap:** The thong strap is made with a leather upper and an inner fabric lining, offering a stylish, comfortable, soft, and waterproof design.
- **Versatile Performance:** Suitable for a wide range of activities including beach outings, swimming, rainy days, parties, surfing, bathing, showering, leisure sports, and athletic use.

Smooth and strong nylon fabric

Skin-friendly, high quality, strong and durable, will not break easily

Soft Elastic composite fabric

Soft and slightly elastic high-grade fabric, skin-friendly and comfortable

Exquisite composite leather

The perfect combination of fashion, exquisiteness, elegance, wear resistance, beauty and practicality

SLIGHT ARCH SUPPORT

Slight arch support, let you experience the ultimate comfort.

MATTE DESIGN

The small frosted surface design has good anti-skid performance. And when the shoes are wet, they won't make any embarrassing noises.

Image 4: Illustration of the slight arch support for enhanced comfort and the matte design for anti-skid performance and quiet wear.

3. SETUP AND FIRST USE

1. **Unpacking:** Carefully remove the flip flops from their packaging.
2. **Initial Airing:** A slight odor may be present upon unpacking. This is normal and will dissipate. To expedite this, air the flip flops outdoors for a short period.
3. **Fit Check:** Try on the flip flops to ensure a comfortable fit. The width is designed to be medium to wide. For individuals with extra wide feet, it is recommended to consider ordering half a size up.

4. OPERATING INSTRUCTIONS

These flip flops are designed for easy slip-on wear and provide comfort for extended periods.

- **Wearing:** Simply slide your feet into the flip flops. The soft and cushioned sole adapts to your foot for immediate comfort.
- **Recommended Use:** Ideal for casual wear, beach activities, poolside use, and general outdoor leisure. The non-slip sole provides stability on various surfaces.

Ultra Comfortable

Image 5: The flip flops are shown bending, illustrating their flexible and comfortable design.

Video: Product Features in Use

Video 1: This video demonstrates the key features of the ADAX Men's Durable Comfort Flip Flops, including their non-slip soles, waterproof and quick-drying properties, soft and cushioned design, and ease of wear without collapsing.

5. MAINTENANCE

- **Cleaning:**

- For general cleaning, wipe the leather strap with a damp cloth and mild soap.
- Rinse the EVA midsole and rubber outsole with water.

- Avoid harsh chemicals or abrasive cleaners, as these can damage the materials.
- **Drying:** Allow the flip flops to air dry completely in a shaded area. Avoid direct sunlight or heat sources, which can cause material degradation.
- **Storage:** Store in a cool, dry place away from direct sunlight when not in use.

6. TROUBLESHOOTING

- **Initial Odor:** If a slight odor persists after initial airing, further exposure to fresh air will help it dissipate. This is common with new footwear materials.
- **Fit Issues:** If the fit feels too snug, especially for wider feet, consider the recommendation to size up by half a size.
- **Strap Discomfort:** While designed for comfort, new straps may require a short break-in period to fully conform to your foot. If persistent discomfort occurs, ensure the flip flops are the correct size.

7. SPECIFICATIONS

Feature	Detail
Model Number	B08MXKX3JQ
Brand	ADAX
Sole Material	Soft EVA + Non-slip Rubber Sole
Outer Material	Soft EVA + Non-slip Rubber Sole
Inner Material	Fabric
Closure Type	Slip On
Department	Mens
Package Dimensions	11.81 x 3.94 x 3.15 inches
