3. SETUP AND ASSEMBLY

3.1 Before You Begin

Ensure all components are present and undamaged before starting assembly. It is recommended to assemble the desk on a soft, clean surface to prevent scratches. While assembly is designed to be straightforward, having a second person may assist with certain steps.

3.2 Assembly Instructions

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the parts list (not provided in this manual, refer to your product's included guide) that all pieces are accounted for.
2. **Assemble Frame:** Begin by connecting the steel frame components using the provided screws and tools. Do not fully tighten screws until all parts are loosely assembled.
3. **Attach Desktop:** Secure the MDF desktop to the assembled frame. Ensure proper alignment before tightening screws.

4. **Install Storage Unit:** Attach the side storage unit, including shelves and drawer supports, to the main desk frame.
5. **Insert Drawers:** Place the non-woven fabric drawers into their designated slots within the storage unit.
6. **Attach Headphone Hook:** Secure the headphone hook to the desired side of the desk frame.
7. **Adjust Feet:** Once fully assembled, adjust the leveling feet at the bottom of the desk legs to ensure stability on uneven surfaces.
8. **Final Tightening:** Systematically tighten all screws to ensure the desk is sturdy and secure.

4. OPERATION

4.1 Using Your Desk

The HOMIDEC Computer Desk is designed for versatile use in various settings, including home offices, study rooms, and bedrooms. Its spacious desktop accommodates computers, keyboards, mice, and other office essentials, providing ample space for work or study.

4.2 Utilizing Storage Features

- **Fabric Drawers:** Use the non-woven fabric drawers to store documents, stationery, small gadgets, or personal

items, keeping your desktop clear and organized.

- **Open Shelves:** The open shelves beneath the side storage unit are ideal for books, binders, decorative items, or small storage boxes.
- **Headphone Hook:** Hang your headphones, cables, or other small accessories on the dedicated hook to keep them easily accessible and off the desk surface.

5. MAINTENANCE AND CARE

5.1 Cleaning Instructions

The desk's smooth tabletop and steel frame are designed for easy cleaning. For general cleaning, simply wipe the surfaces with a damp cloth. For spills, the special protective layer on the tabletop helps prevent water damage. Wipe spills immediately with a dry cloth.

5.2 General Care Tips

- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.

- Do not place extremely hot items directly on the desktop without a protective coaster.
- Periodically check and tighten all screws to ensure the desk remains stable and secure.
- Keep the desk away from direct sunlight and extreme temperature changes to prevent material degradation.

6. TROUBLESHOOTING

6.1 Common Issues and Solutions

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Screws are not fully tightened; uneven floor.	Ensure all assembly screws are securely tightened. Adjust the leveling feet at the bottom of the desk legs to compensate for uneven flooring.
Parts do not align during assembly.	Incorrect orientation of parts; screws tightened too early.	Review the assembly diagrams carefully to ensure correct part orientation. Loosely assemble all components before fully tightening any screws.
Fabric drawers do not slide smoothly.	Drawer is overloaded; obstruction in the slot.	Reduce the weight or volume of items in the drawer. Check the drawer slot for any obstructions and remove them.
