2. SAFETY INFORMATION

Please read and follow all safety instructions carefully to prevent injury or damage to the product. This product is intended for use as a bed and storage unit. Any other use may result in injury.

- Always ensure all connections are securely fastened. Regularly check and tighten hardware.
- Do not allow children under 6 years of age to use the upper bunk.
- Ensure the mattress used on the upper bunk meets the recommended thickness and dimensions to maintain adequate guardrail height.
- Do not attach or hang items on any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, and jump ropes.
- Use the ladder for entry and exit from the upper bunk. Do not jump on the bed.
- Keep the area around the bed clear of obstacles.
- This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

3. SETUP AND ASSEMBLY

Assembly of the Acme Jason II Storage Loft Bed requires careful attention to detail and adherence to the provided instructions. It is recommended that two adults assemble this product.

1. Unpack all components and verify against the parts list in the official installation manual.
2. Ensure you have all necessary tools as specified in the manual.
3. Follow the step-by-step instructions provided in the [Official Installation Manual \(PDF\)](#).
4. Do not overtighten screws during initial assembly; tighten all fasteners fully once the unit is completely assembled.
5. Place the bed on a level surface.

For detailed assembly instructions, please refer to the comprehensive PDF manual linked above. This manual contains diagrams and specific steps for each part of the assembly process.

4. OPERATING INSTRUCTIONS

The Acme Jason II Storage Loft Bed is designed for multi-functional use. Here's how to utilize its various features:

4.1. Loft Bed Usage

- Access the loft bed using the built-in storage ladder. Always use the ladder for safe ascent and descent.
- Ensure the mattress fits securely within the bed frame and below the top of the guardrails.

4.2. Integrated Desk and Cork Board

- The desk area provides a dedicated space for studying or other activities.
- Utilize the cork board panel to pin notes, photos, or important reminders.

4.3. Storage Features

The loft bed includes multiple storage options:

- **Built-in Chest:** Located on the left side, this chest features four drawers and two open compartments for organizing various items.
- **Storage Ladder:** The ladder on the right side incorporates five drawers, offering convenient storage for smaller items or clothing.

Figure 4.2: View of the storage drawers in both the chest and the ladder, shown open.

5. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your loft bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Hardware Check:** Periodically check all bolts, screws, and fasteners to ensure they are tight. Retighten as necessary to maintain structural integrity and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish.
- **Humidity Control:** Maintain a stable humidity level in the room to prevent wood from expanding or contracting excessively.

6. TROUBLESHOOTING

If you encounter any issues with your Acme Jason II Storage Loft Bed, consider the following common troubleshooting steps:

- **Squeaking Noises:** Check all assembly hardware. Loose bolts are a common cause of squeaking. Tighten any loose connections.
- **Drawers Not Sliding Smoothly:** Ensure the drawer slides are properly aligned and free of obstructions. Check that

the drawers are not overloaded.

- **Stability Concerns:** Verify that the bed is placed on a flat, level surface. Re-check all structural connections to ensure they are fully tightened according to the assembly manual.
- **Missing Parts:** If you find any parts missing during assembly, refer to the contact information in the Support section to request replacements.

If problems persist after attempting these steps, please contact Acme customer support for further assistance.

7. SPECIFICATIONS

Feature	Detail
Brand	Acme
Model Number	AC-37455
UPC	840412269424
