SETUP AND ASSEMBLY

The Teraves Dining Table Set is designed for easy and fast assembly. All necessary tools and a detailed instruction manual are included in the package, ensuring a straightforward setup process. No additional tools are required.

Assembly Tips:

- Place screws loosely until all pieces are together, then tighten them all. This method can save time and prevent errors during installation.
- Ensure all components are correctly oriented before tightening screws.

OPERATING AND USAGE

This multifunctional dining set offers exceptional versatility, adapting to various needs within your living space. Its compact design allows the chairs and bench to tuck neatly under the table when not in use, maximizing available

floor space.

Versatile Applications:

- **Dining Table:** Perfect for family meals or entertaining guests.
- **Computer Desk / Office Workstation:** Provides a comfortable and spacious surface for work or study.
- **Study Table / Writing Desk:** Ideal for students or anyone needing a dedicated area for academic tasks.
- **Gaming Desk:** Offers ample space for gaming setups.
- **Bistro Table Set:** Suitable for casual dining or coffee breaks.
- **Vanity Table:** Can be used as a stylish vanity with a mirror.

MAINTENANCE AND CARE

The Teraves Dining Table Set is constructed from durable MDF and a thicker steel frame, ensuring longevity and stability for long-term use. Its surfaces are designed for easy maintenance and daily cleaning.

Cleaning Instructions:

- Wipe with a dry cloth to remove dust and debris.
- For spills or stains, use a damp cloth and mild soap, then wipe dry immediately.
- Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.

TROUBLESHOOTING

If you encounter any issues during assembly or use, please refer to the following general guidelines:

- **Missing Parts:** Double-check all packaging materials. If parts are still missing, contact customer support.
- **Assembly Difficulties:** Re-read the instruction manual carefully, paying close attention to diagrams. Ensure all screws are aligned before tightening.
- **Stability Issues:** Verify that all screws are securely tightened. Ensure the product is placed on a flat, even surface.

WARRANTY AND SUPPORT

For information regarding product warranty, returns, or customer support, please refer to the purchase documentation or contact the seller directly. Teraves is committed to providing quality products and assistance.
