MARVO KG965G

MARVO KG965G RGB Mechanical Gaming Keyboard User Manual

Model: KG965G | Brand: MARVO

1. INTRODUCTION

Thank you for choosing the MARVO KG965G RGB Mechanical Gaming Keyboard. This keyboard is designed for an enhanced gaming and typing experience, featuring durable mechanical switches, customizable RGB backlighting, and dedicated macro keys. This manual will guide you through the setup, operation, and maintenance of your new keyboard to ensure optimal performance.

Figure 1.1: MARVO KG965G RGB Mechanical Gaming Keyboard overview.

2. PACKAGE CONTENTS

Please verify that all items are present in the package:

- MARVO KG965G RGB Mechanical Gaming Keyboard
- Detachable Wrist Rest
- USB Cable
- User Manual (this document)

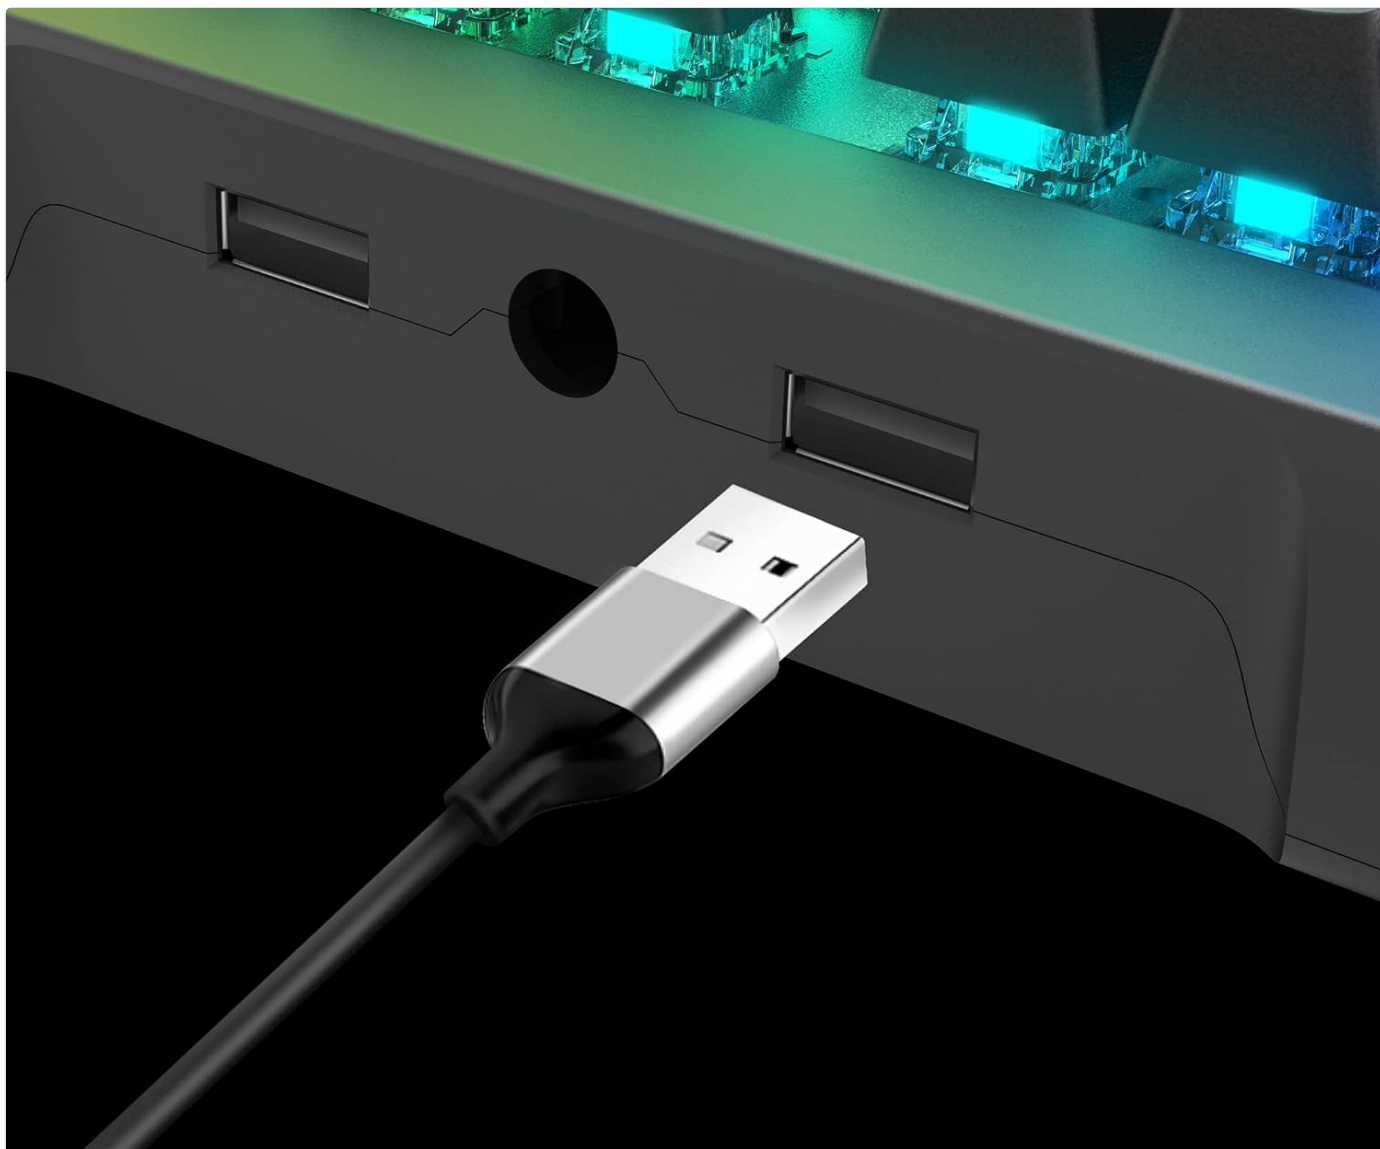

3. SETUP GUIDE

3.1 Connecting the Keyboard

1. Unpack the keyboard and its components from the box.
2. Attach the detachable wrist rest to the keyboard by aligning the clips and gently pressing until it clicks into place.
3. Locate an available USB 2.0 port on your computer.
4. Plug the USB cable of the MARVO KG965G keyboard into the USB port. The keyboard will automatically be detected and installed by your operating system.

3.2 Software Installation (Optional)

For advanced customization of RGB lighting, macro programming, and key remapping, download the dedicated MARVO customization software from the official MARVO website. The software is compatible with all Windows Systems. Please note that software functionality may be limited or unavailable on Linux and Mac operating systems.

Extra USB Ports

2 additional USB hubs for multiple devices

4. OPERATING INSTRUCTIONS

4.1 Key Features Overview

- **Full Anti-Ghosting:** Supports N-key rollover, ensuring every key press is registered accurately, even during rapid, simultaneous inputs.
- **RGB Backlight:** Individual LED for each key with 10+ selectable lighting schemes.
- **Six Macro G Keys:** Dedicated programmable keys for complex commands and shortcuts.
- **Five Backlight Mode M Keys:** Programmable keys for quick access to lighting modes.
- **Dedicated Multimedia Controls:** Includes a volume roller and media playback buttons for convenient audio and video management.
- **Durable Construction:** Features a metal-made front plate and high-quality ABS for enhanced durability.
- **Gaote Blue Switches:** Mechanical switches providing tactile feedback and an audible click, rated for over 50 million presses.

ULTRA-RELIABLE, ULTRA FAST

KG965G RGB **Blue** mechanical keyswitches provide lightning-fast response times and smooth linear travel

Figure 4.1: Detail of the ultra-reliable and fast blue mechanical keyswitches.

4.2 Macro Key Programming (G Keys)

The MARVO KG965G keyboard features six dedicated macro G keys (G1-G6) on the left side, allowing you to record and assign complex sequences of commands. These can be programmed using the advanced customization software. Refer to the software's user interface for detailed instructions on creating, editing, and assigning macros.

SIX DEDICATED MACRO KEYS

Set up powerful macros and remap keys in MARVO software on create multi-action shortcuts through MARVO software.

Figure 4.2: Location of the six dedicated macro keys.

4.3 RGB Lighting Customization

The keyboard features per-key RGB backlighting with multiple pre-set lighting schemes and extensive customization options via the MARVO RGB software. Use the software to select from various effects, adjust brightness, speed, and color palettes. The five backlight mode M keys (M1-M5) can also be programmed to switch between your preferred lighting profiles.

MULTIPLE RGB MODES

CUSTOMIZABLE LIGHTING AND ANIMATIONS WITH MARVO RGB SOFTWARE

Figure 4.3: Examples of multiple RGB lighting modes.

4.4 Multimedia Controls

The MARVO KG965G includes dedicated multimedia controls located on the top right of the keyboard. These include a volume roller for precise audio adjustment and buttons for media playback (Play/Pause, Previous Track, Next Track). Additionally, the keyboard supports independent multimedia shortcuts using the **Fn** key in combination with function keys (F1-F12).

Fn + F1: My Computer

Fn + F2: Internet

Fn + F3: Email

4.5 Extra USB Ports

The keyboard is equipped with two additional USB hubs, providing convenient connectivity for other peripherals such as a mouse, headset, or USB flash drive directly from your keyboard.

5. MAINTENANCE

5.1 Cleaning the Keyboard

- Disconnect the keyboard from your computer before cleaning.
- Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution to wipe down the keycaps and chassis.
- For dust and debris between keys, use compressed air.
- Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the keyboard.

5.2 General Care

- Avoid spilling liquids on the keyboard.
- Do not expose the keyboard to extreme temperatures or direct sunlight.
- Handle the USB cable carefully to prevent damage.

6. TROUBLESHOOTING

Problem	Possible Solution
---------	-------------------

Problem	Possible Solution
Keyboard is not responding.	◦ Ensure the USB cable is securely plugged into a working USB port on your computer. ◦ Try plugging the keyboard into a different USB port. ◦ Restart your computer. ◦ Check if the keyboard is enabled in your computer's Device Manager (Windows) or System Information (Mac).
RGB lighting is not working or is incorrect.	◦ Ensure the keyboard is properly connected. ◦ Check the lighting settings using the dedicated M keys or through the MARVO customization software. ◦ Reinstall the MARVO software if issues persist.
Macro keys are not functioning.	◦ Ensure the MARVO customization software is installed and running. ◦ Verify that the macros are correctly programmed and assigned within the software. ◦ Some applications or games may restrict macro usage.
Keys are sticky or unresponsive.	◦ Clean the affected keys using compressed air to remove debris. ◦ If a specific key is consistently unresponsive, it may indicate a hardware issue.
