

## WeCool Moonwalk Mini

# WeCool Moonwalk Mini Earbuds User Manual

Your guide to setting up, operating, and maintaining your WeCool Moonwalk Mini Earbuds.

## 1. INTRODUCTION

Thank you for choosing the WeCool Moonwalk Mini Earbuds. These true wireless earbuds are designed for a seamless audio experience, featuring advanced Bluetooth 5.0 connectivity, a secure fit, and a portable magnetic charging case. This manual provides essential information to help you get the most out of your new earbuds.

## 2. WHAT'S IN THE BOX

Upon opening your WeCool Moonwalk Mini Earbuds package, you will find the following items:

- WeCool Moonwalk Mini Bluetooth Earbuds
- Magnetic Charging Case
- Additional 2 Pairs of Eartips (Small, Large)
- USB Charging Cable
- User Manual (this document)
- Thank You Card

### 3. PRODUCT OVERVIEW

The WeCool Moonwalk Mini Earbuds are designed for comfort and performance. Each earbud weighs just 4 grams, ensuring a lightweight and secure fit ideal for sports and daily use. The earbuds feature an IPX5 splash-proof rating, making them resistant to sweat and light rain.

The compact charging case not only protects your earbuds but also provides multiple recharges on the go. It features a digital battery indicator to show the remaining charge percentage (100%, 75%, 50%, 25%), allowing you to monitor the case's power level easily.

## 4. SETUP

### 4.1 Charging the Earbuds and Case

Before first use, fully charge your WeCool Moonwalk Mini Earbuds and their charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated; the magnetic contacts will hold them in place.
2. Connect the provided USB charging cable to the micro USB port on the charging case and plug the other end into a 5V/1A USB power source.
3. The digital display on the case will show the current battery percentage. A full charge takes approximately 1.5 hours.
4. Once fully charged, disconnect the charging cable.

## 4.2 Pairing with Your Device

The WeCool Moonwalk Mini Earbuds feature auto-pairing for convenience.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings.
3. Search for available devices and select "Moonwalk Mini" from the list.
4. Once connected, you will hear an audio prompt, and the earbuds' indicator lights will change.

The Bluetooth 5.0 technology ensures a stable connection with a transmission range of up to 10 meters.

## 5. OPERATING INSTRUCTIONS

The WeCool Moonwalk Mini Earbuds feature multi-function buttons (MFB) on each earbud for easy control of music and calls.

### 5.1 Multi-Function Button (MFB) Controls

Action	Left Earbud	Right Earbud
Play/Pause Music	Press 1 time	Press 1 time
Receive Call	Press 1 time	Press 1 time
Next Song	Press 2 times	Press 2 times
Previous Song	Long Press	Long Press
Reject Call	Long Press	Long Press

Action	Left Earbud	Right Earbud
Activate Voice Assistant	Long Press (until beep)	Long Press (until beep)

## 5.2 Voice Assistant

The earbuds support voice assistants like Google Assistant and Siri. Activate them by long-pressing the MFB on either earbud until you hear a beep, then speak your command.

## 6. MAINTENANCE

To ensure the longevity and optimal performance of your WeCool Moonwalk Mini Earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Eartips:** Remove and clean the silicone eartips periodically. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Water Resistance:** While the earbuds are IPX5 splash-proof, they are not waterproof. Avoid submerging them in water or exposing them to heavy rain.

## 7. TROUBLESHOOTING

If you encounter any issues with your WeCool Moonwalk Mini Earbuds, try the following solutions:

- **No Sound/Connectivity Issues:**
  - Ensure both earbuds are charged.
  - Check that Bluetooth is enabled on your device and the earbuds are paired.
  - Try unpairing and re-pairing the earbuds with your device.
  - Ensure the earbuds are within the 10-meter transmission range of your device.
- **Earbuds Not Charging:**
  - Ensure the charging cable is securely connected to both the case and the power source.
  - Check the digital battery indicator on the case to confirm it has power.
  - Clean the charging contacts on both the earbuds and inside the case.
- **Voice Assistant Not Responding:**
  - Ensure the earbuds are connected to your device.
  - Confirm that your device's voice assistant is enabled and configured correctly.

If the issue persists, please refer to the warranty and support section for further assistance.

## 8. SPECIFICATIONS

Feature	Detail
---------	--------

Feature	Detail
