Key Features:

- **Full Length Design:** Measuring 63" x 20", it provides a complete view from head to toe.
- **LED Lighting:** Equipped with 120 energy-efficient LED beads for bright and long-lasting illumination (50,000 hours lifetime).
- **3 Color & Dimmable Brightness:** Offers three light color modes (white, warm white, yellow) and adjustable brightness from 15% to 100%.
- **HD & Shatterproof:** Provides a clear, high-definition reflection with an explosion-proof membrane for safety.
- **Versatile Installation:** Can be used free-standing with its pre-assembled bracket or wall-mounted with included accessories.
- **Durable Construction:** Features an aluminum alloy frame with original edge-sealing technology.

3. SETUP & INSTALLATION

Unboxing:

Carefully remove the mirror from its packaging. Inspect the mirror for any damage. The mirror is protected by a film that should be peeled off before use.

Mounting Options:

Your LVSOMT mirror offers flexible placement options:

- **Free-Standing:** The mirror comes with a pre-assembled U-shaped bracket. Simply unfold the bracket to position the mirror securely on the floor. Ensure the bracket is fully extended and stable.
- **Wall-Mounted:** For a space-saving solution, the mirror can be mounted to a wall. Mounting accessories (screws and anchors) are included. Follow the detailed instructions provided in the packaging for secure wall installation.

5. MAINTENANCE

- **Cleaning:** Use a soft, lint-free cloth and a non-abrasive glass cleaner to clean the mirror surface. Avoid spraying cleaner directly onto the mirror; instead, apply it to the cloth first.
- **Frame Care:** Wipe the aluminum alloy frame with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Electrical Components:** Ensure the mirror is unplugged before cleaning. Do not attempt to service the electrical components yourself.

6. TROUBLESHOOTING

- **Lights Not Turning On:** Check if the power cord is securely plugged into a working outlet. Ensure the touch button is being pressed correctly.

- **Inconsistent Lighting:** Verify that the power supply is stable. If issues persist, contact customer support.
- **Mirror Damage:** Due to the shatter-proof membrane, glass fragments will not spill out if the mirror is impacted. However, if the mirror is damaged, discontinue use and contact customer support for assistance.
