LORYERGO LEMS13-E-2

LORYERGO Dual Monitor Stand User Manual

Model: LEMS13-E-2

1. INTRODUCTION

This user manual provides detailed instructions for the assembly, operation, and maintenance of your LORYERGO Dual Monitor Stand. Designed for multi-screen users, this stand helps optimize your workspace by raising monitors to an ergonomic viewing height and providing integrated storage solutions. Please read this manual thoroughly before use to ensure proper setup and to maximize the benefits of your new monitor stand.

2. KEY FEATURES

- **Multi-Screen Optimization:** Specifically designed to accommodate two monitors, ideal for IT professionals, designers, and gamers, allowing for efficient use of desk space underneath for keyboards, mice, and other accessories.
- **Integrated Storage Organizer:** Features large storage slots on each side that can be divided into six smaller compartments for office supplies like pens and staplers. Removing the internal clapboards creates larger shelves for books or files.

ADJUSTABLE STORAGE SLOTS

Image: Detail of the adjustable storage slots, showing how they can be configured for various office supplies or larger items.

- **Adjustable Length & Angle:** The stand's length is adjustable from 38.19 inches to 52.17 inches to fit different monitor sizes and desk configurations. The angle can also be adjusted to create a customized and comfortable working position.

CUSTOMIZED LENGTH

Ideal for different devices

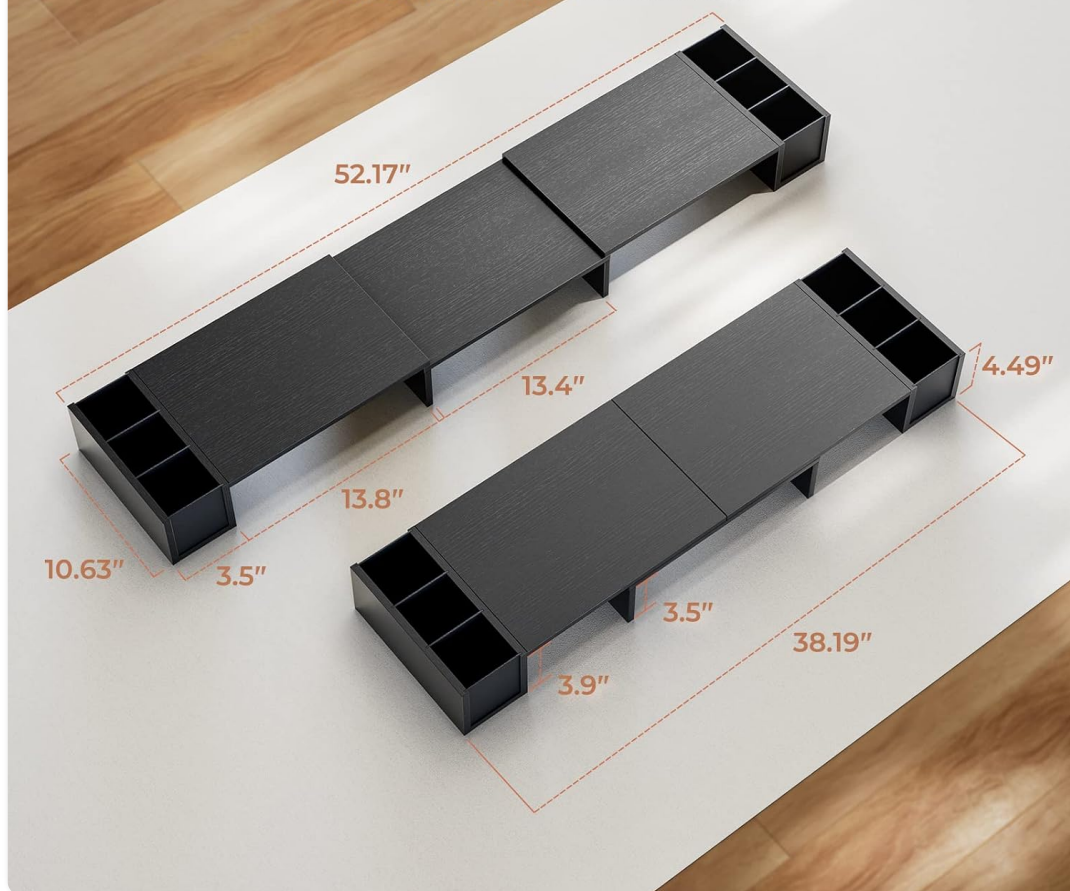

Image: A visual representation of the monitor stand's adjustable length, highlighting the minimum and maximum dimensions.

Image: The monitor stand demonstrating its flexible rotation, ideal for corner desk setups, with an angle adjustment of up to 20 degrees.

- **Ergonomic Viewing Height:** Elevates your monitors to an optimal ergonomic viewing height, promoting a comfortable sitting posture and reducing neck and eye strain, thereby enhancing focus and productivity.

ERGONOMIC HEIGHT

Image: An illustration showing a user benefiting from the ergonomic height provided by the monitor stand, with optimal viewing angles indicated.

- **Space Optimization:** Creates valuable storage space underneath your monitors, helping to declutter your desk and keep essential items within easy reach.

Image: A desk scene illustrating how the monitor stand helps to free up significant space on the desktop by elevating monitors and providing under-stand storage.

3. SETUP AND ASSEMBLY

The LORYERGO Dual Monitor Stand is designed for quick and easy assembly. Follow these steps to set up your stand:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components are present according to the packing list (not provided in this manual, refer to product packaging).
2. **Identify Parts:** All parts are numbered for easy identification. Locate the corresponding numbers on each piece as shown in the assembly diagram.

Image: A close-up view of the monitor stand components, showing the numbered parts for simplified assembly.

3. **Assemble Base Shelves:** Use the provided screws to connect the base shelves together. Ensure they are securely fastened.
4. **Attach Side Parts:** Connect the two side parts to the middle section of the stand. The design allows for flexible adjustment of length and angle during or after this step.
5. **Final Check:** Once assembled, gently test the stability of the stand. Ensure all connections are tight and the stand is level on your desk.

Assembly typically takes approximately 5 minutes.

4. OPERATION

Using your LORYERGO Dual Monitor Stand is straightforward. Here are guidelines for optimal use:

- **Placing Monitors:** Carefully place your monitors on the elevated surfaces of the stand. Ensure they are centered and stable. The stand is designed to support two monitors.
- **Adjusting Length:** To adjust the length, gently slide the side sections outwards or inwards. The stand can extend from 38.19 inches to 52.17 inches to accommodate various monitor sizes and desk layouts.
- **Adjusting Angle:** The side sections can also be rotated to adjust the angle, allowing you to configure the stand for straight-line setups or corner desk arrangements. Adjust until you find a comfortable viewing angle.

- **Utilizing Storage:** Use the integrated storage slots on the sides for organizing office supplies. The removable dividers allow for customization of compartment sizes, from small slots for pens to larger sections for documents or books.
- **Ergonomic Positioning:** Position your monitors so that the top of the screen is at or slightly below eye level. This helps maintain a neutral neck posture and reduces strain.

5. MAINTENANCE

To ensure the longevity and appearance of your LORYERGO Dual Monitor Stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the stand regularly with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be

used. Avoid harsh chemicals or abrasive materials that could damage the wood finish.

- **Dusting:** Dust the surface periodically to prevent buildup.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Avoid Overloading:** Do not exceed the recommended weight capacity of the stand (refer to specifications).
- **Environmental Conditions:** Keep the stand away from excessive moisture, direct sunlight, and extreme temperature changes to prevent warping or damage to the wood material.

6. TROUBLESHOOTING

If you encounter any issues with your LORYERGO Dual Monitor Stand, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Stand feels wobbly or unstable.	Loose screws or uneven surface.	Ensure all assembly screws are tightened. Place the stand on a flat, stable surface.
Difficulty adjusting length or angle.	Friction or misalignment.	Ensure no objects are obstructing the sliding/rotating mechanism. Apply gentle, even pressure when adjusting.
Storage slots not fitting properly.	Incorrect orientation of dividers.	Verify that the dividers are inserted in the correct orientation and alignment.

If the issue persists, please refer to the additional resources section for further assistance.

7. SPECIFICATIONS

Attribute	Detail
Brand	LORYERGO
Model Number	LEMS13-E-2
Material	Wood (MDF Board)
Color	Black
Product Dimensions (L x W x H)	Adjustable from 38.19 x 10.63 x 4.49 inches to 52.17 x 10.63 x 4.49 inches
Item Weight	11.49 pounds
Assembly Required	Yes
Number of Levels	3

Attribute	Detail
Special Features	Angle Adjustable, Ergonomic Design, Integrated Storage
Country of Origin	China
