Prominence Home 51461-01

Prominence Home Orbis 52-Inch Ceiling Fan Instruction Manual

Model: 51461-01 | Brand: Prominence Home

Introduction

The Prominence Home Orbis 52-inch indoor ceiling fan is designed to provide comfort and style for medium to large rooms up to 400 square feet. This modern fan features an integrated LED ring light, a reversible motor for year-round use, and convenient remote control operation.

Key Features:

- **Indoor Ceiling Fan with LED Light:** Modern 52-inch ceiling fan with integrated ring LED lighting designed for medium to large rooms up to 400 square feet.
- **Reversible Motor:** High-capacity motor delivers powerful airflow with quiet performance; reversible airflow improves cooling in summer and helps distribute warm air in winter.
- **Remote Control with Wall Mount:** Includes a handheld remote control with a wall mount holder and batteries to adjust fan speed and light output conveniently from anywhere in the room.
- **Dual Mount Installation:** Multi-position ceiling mount design includes 6-inch downrod for standard installation and supports angled mounting for vaulted ceilings (longer downrod sold separately).
- **Contemporary Design:** 3 modern dual-finish blades provide strong air circulation while maintaining a sleek, contemporary style; ETL listed for indoor use and long-lasting durability.

Safety Information

Please read and understand this entire manual before attempting to assemble, install, or operate this product. Failure to follow these instructions could result in electric shock, fire, or serious personal injury.

- Always disconnect power at the main circuit breaker before installation or maintenance.
- Ensure all electrical connections are in accordance with local codes, ordinances, and the National Electric Code (NEC).
- Mounting structure must be capable of supporting the fan's weight (approximately 14.57 lbs).
- Do not operate the fan with damaged blades or housing.
- Keep hands, clothing, and other objects clear of fan blades during operation.

- This fan is designed for indoor use only.

Package Contents

Verify that all components listed below are included in your package:

- Blade Irons
- Blades (3 Dual Finish Blades)
- Hardware Pack
- Light Kit (Integrated LED Ring Light)
- Owner's Manual
- Remote Control with Wall Mount Option (Batteries included)
- 6-inch Downrod

Setup and Installation

This ceiling fan features a dual mount installation design, allowing for standard or angled mounting. A 6-inch downrod is included for standard installations. Longer downrods are sold separately for higher ceilings.

Mounting Options:

Image: Illustration detailing two mounting options: "Downrod" for standard ceiling heights, adaptable for taller ceilings with a longer downrod (sold separately), and "Angled" for sloped or vaulted ceilings requiring angle mounting.

Room Size Guide:

For optimal performance, select a fan size appropriate for your room. The Orbis 52-inch fan is suitable for large rooms.

- Small Room: Less than 8 ft x 10 ft (Fan Size Up to 32-in)
- Medium Room: Up to 12 ft x 14 ft (Fan Size 32-in to 48-in)
- **Large Room: Up to 12 ft x 18 ft (Fan Size 48-in to 58-in) - This fan is ideal for large rooms.**

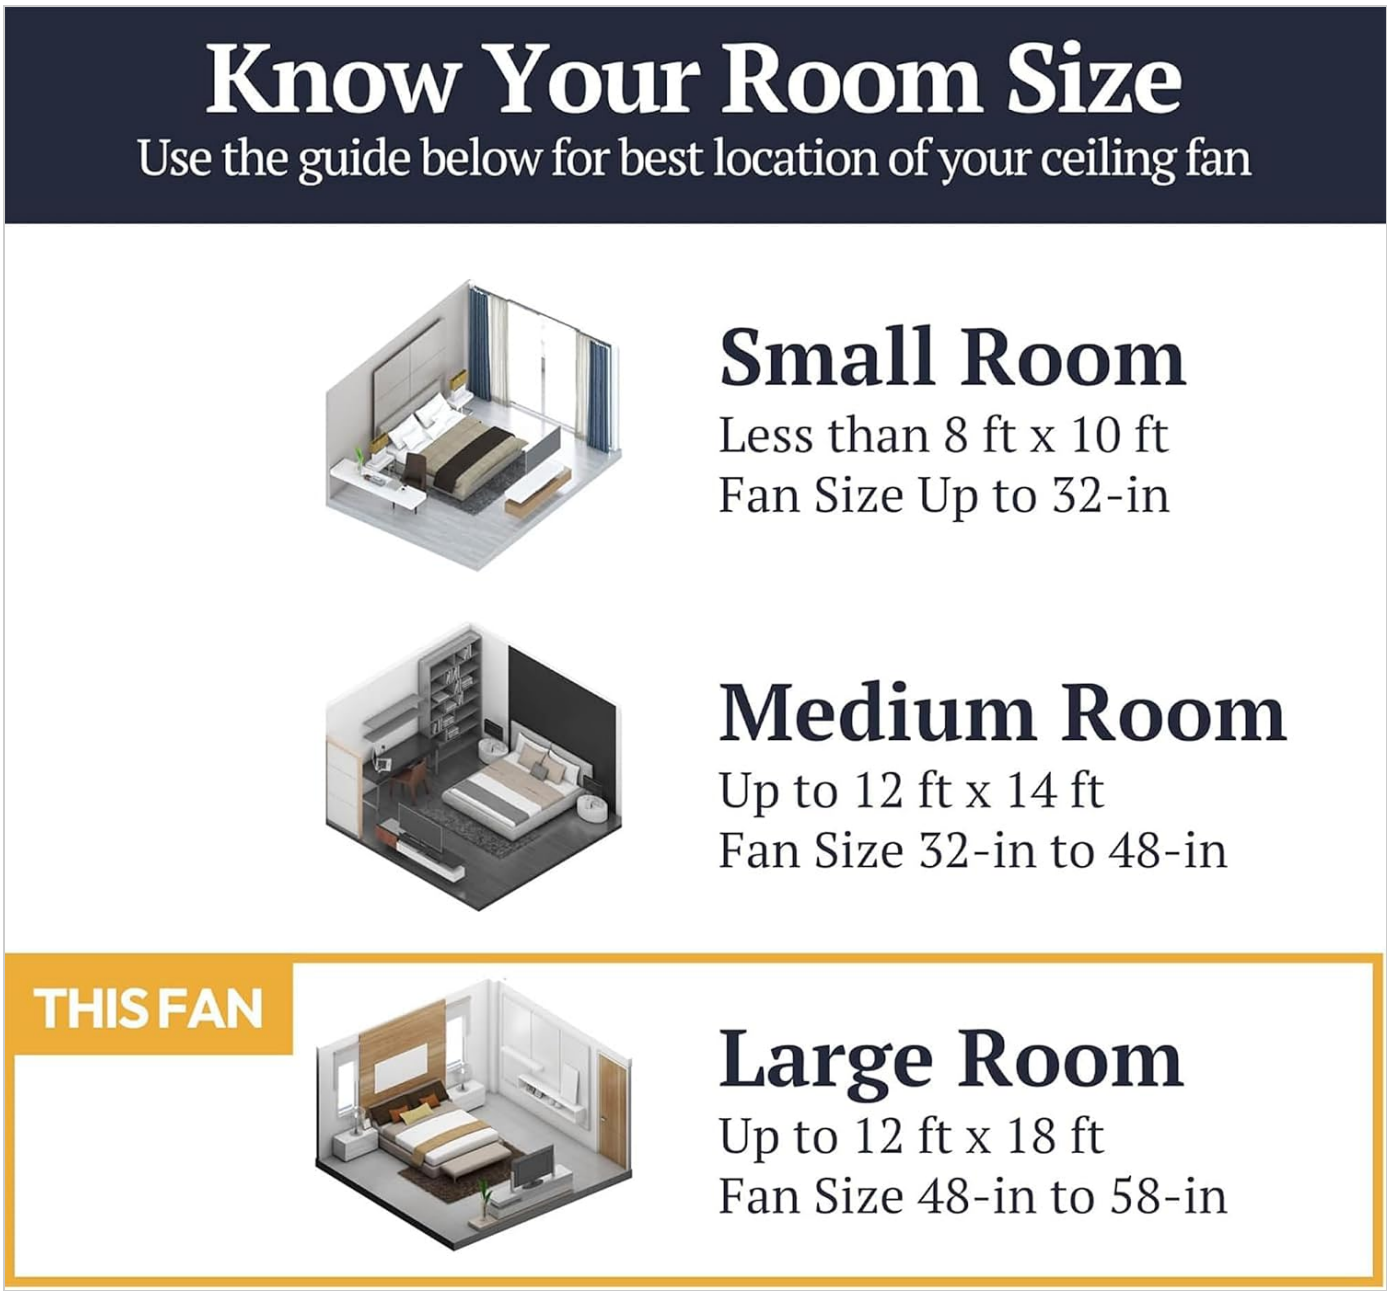

Image: A visual guide showing recommended fan sizes for different room dimensions: small (up to 32-inch fan), medium (32-48-inch fan),

and large (48-58-inch fan), with the Orbis fan highlighted for large rooms.

Product Dimensions:

The Prominence Home Orbis fan has a 52-inch blade span and measures 11.7 inches from the ceiling to the bottom of the light kit.

Operating Instructions

Control your Prominence Home Orbis ceiling fan using the included remote control or the pull chains.

Remote Control Functions:

The handheld remote control allows for convenient adjustment of fan speed, light output, and special features. It comes with a wall mount option for easy storage.

Image: A detailed image of the remote control and its accompanying wall dock. The remote features buttons for Power On/Off, Light On/Off (hold to dim), High Speed, Medium Speed, Low Speed, Walk Away Light Delay, Variable Breeze, and HomeShield™ (simulates occupancy).

Video: Demonstration of the universal remote control with wall dock, showing how to install the wall dock and use various fan and light functions including on/off, speed adjustments, dimming, Walk Away Light Delay, Nature Breeze, and Safe Home features.

Reversible Motor:

The fan features a reversible motor to optimize air circulation throughout the year. In summer, the fan blades rotate counter-clockwise to create a cooling downdraft. In winter, the blades rotate clockwise to circulate warm air trapped near the ceiling, helping to reduce heating costs.

Image: A visual explanation of the reversible motor function. The left side shows orange arrows indicating warm air being balanced in winter, while the right side shows blue arrows indicating strong wind and rapid cooling in summer.

LED Light Operation:

The integrated LED ring light provides 1400 lumens at 23 watts with a 3000K color temperature. The light is dimmable, allowing you to adjust brightness from 10% to 100% using the remote control.

Image: A close-up view of the fan's white frosted LED ring light, indicating a 3000K color temperature and dimmable lighting capability ranging from 10% to 100%.

Blade Finishes:

The fan features dual-finish blades, allowing you to choose between Matte Black (Side A) and Zebra Wood (Side B) to match your room's decor.

Image: A comparison showing the reversible blades of the ceiling fan, with one side featuring a matte black finish and the other a zebra wood finish, allowing for customizable aesthetics.

Maintenance

To ensure the longevity and optimal performance of your Prominence Home Orbis ceiling fan, follow these maintenance guidelines:

- **Cleaning:** Use a soft, damp cloth for cleaning. Avoid harsh chemicals or abrasive cleaners. For the blades, follow "Hand Wash" care instructions.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners on the fan and mounting hardware.
- **Blade Balance:** If the fan wobbles, ensure all blades are securely attached and balanced. A balancing kit (not included) may be used if necessary.
- **Light Source:** The integrated LED light is designed for long-lasting performance and typically does not require replacement.

Troubleshooting

If you experience issues with your Prominence Home Orbis ceiling fan, consult the following common troubleshooting steps. For more complex problems, please contact customer support.

- **Fan Does Not Operate:** Check that power is supplied to the fan. Ensure all wiring connections are secure. Verify remote control batteries are functional.
- **Light Does Not Work:** Confirm power is supplied to the fan. Check remote control batteries. Ensure the light function on the remote is activated.
- **Excessive Wobbling:** Ensure all blade screws are tight. Check that the fan is securely mounted to the ceiling junction box. Verify blades are not bent or damaged.
- **Noisy Operation:** Ensure all screws are tight. Check for any loose parts. Allow a break-in period for the motor.

Specifications

Attribute	Value
