# Tribesigns 96.9" Double Computer Desk Instruction Manual

Model: HOGA-W0077 | Brand: Tribesigns

## INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Tribesigns 96.9" Double Computer Desk. Designed for two users, this versatile workstation combines two spacious desks with a central storage shelf, creating an efficient and comfortable home office environment. Its robust construction ensures stability and durability, making it suitable for various uses including computer work, studying, writing, or gaming.

## SAFETY INFORMATION

### WARNING:

- Ensure the desk is properly anchored to prevent tipping.
- Do not exceed the weight limit stated in the assembly instructions.
- Use appropriate tools and follow assembly instructions carefully to avoid injury.

## PRODUCT OVERVIEW

The Tribesigns Double Computer Desk is crafted from 0.59" thick MDF board with a waterproof and anti-scratch finish, supported by a heavy-duty powder-coated steel frame. It features adjustable foot pads for stability on uneven floors.

## SETUP INSTRUCTIONS

Your Tribesigns Double Computer Desk comes with all necessary parts, tools, and instructions for assembly. It is recommended to have two people for easier and quicker setup, especially when moving the assembled unit.

### Assembly Steps:

1. Unpack all components and verify against the parts list provided in your package.
2. Identify the metal frame pieces and wooden desktop sections.
3. Begin by assembling the central storage unit, ensuring all screws are tightened securely.
4. Attach the two desktop sections to the central unit, aligning the pre-drilled holes.
5. Install the adjustable foot pads on all legs to ensure stability.
6. Place the desk in your desired location. While lightweight, moving the fully assembled desk is easier with two people.

## MAINTENANCE

---

To ensure the longevity and appearance of your Tribesigns Double Computer Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the MDF board surfaces with a damp cloth and mild detergent. Avoid abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the desk surfaces and metal frame with a soft, dry cloth.
- **Protection:** While the surface is anti-scratch, using coasters for drinks and mouse pads can further protect the desktop.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

## TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Desk wobbles or is unstable.	Uneven floor; loose connections.	Adjust the foot pads on the bottom of the legs. Ensure all screws are tightened.
Minor scuffs or chips on the surface.	Normal wear and tear; impact during assembly/use.	For minor scuffs, a wood repair marker or touch-up paint matching the finish can be used.
Difficulty during assembly.	Incorrect part orientation; screws not aligning.	Refer to the assembly instructions carefully. Ensure pieces are oriented correctly before tightening screws. Sometimes switching pieces can help with alignment.
