2. Safety Information

Please read all safety instructions carefully before installation and use. Failure to follow these instructions may result in injury or damage to the product.

- **Glass Handling:** Handle the mirror with care. Edges can be sharp. Wear protective gloves if necessary.
- **Safety Film:** The mirror is equipped with a safety film on the back. Do not remove this film as it is designed to reduce the risk of injury from broken glass.
- **Secure Mounting:** Always ensure the mirror is securely mounted to a suitable wall material using appropriate hardware. An improperly mounted mirror can fall and cause serious injury.

- **Weight:** The mirror weighs approximately 4.98 kg. Ensure your wall can support this weight.
- **Children and Pets:** Keep children and pets away from the installation area during setup.

3. Package Contents

Verify that all components are present before beginning installation. If any parts are missing or damaged, contact Ikea customer support.

- 1 x LINDBYN Mirror (40x130 cm)
- Mounting hardware (screws, wall plugs, brackets) - *Specific hardware may vary; refer to the included hardware pack.*

4. Setup and Installation

4.1 Before You Begin

- **Tools Required:** Pencil, measuring tape, spirit level, drill, screwdriver.
- **Choose Location:** Select a suitable wall location. Ensure there are no hidden electrical wires or pipes behind the drilling points.
- **Wall Material:** Identify your wall material (e.g., drywall, concrete, wood studs) to use the correct wall plugs and screws.

4.2 Mounting Instructions (Horizontal or Vertical)

1. **Measure and Mark:** Hold the mirror against the wall at the desired height and orientation (horizontal or vertical). Use a pencil to mark the positions for the mounting brackets on the wall. Use a spirit level to ensure the marks are perfectly aligned.
2. **Drill Holes:** Drill holes at the marked positions using a drill bit appropriate for your wall plugs and wall material.
3. **Insert Wall Plugs:** Insert the wall plugs into the drilled holes. Ensure they are flush with the wall surface.
4. **Attach Brackets:** Secure the mounting brackets to the wall using the provided screws, screwing them into the wall plugs. Ensure the brackets are firmly attached.
5. **Hang Mirror:** Carefully lift the mirror and align the hanging points on the back of the mirror with the installed wall brackets. Gently lower the mirror onto the brackets, ensuring it is securely seated.
6. **Verify Stability:** Gently tug on the mirror to ensure it is stable and does not wobble.

5. Operating Instructions

The LINDBYN mirror is designed for reflective purposes. Once securely mounted, it requires no further operation. Simply use it as a functional and decorative element in your chosen space.

6. Maintenance and Care

Proper care will ensure the longevity and clarity of your LINDBYN mirror.

- **Cleaning the Glass:** Wipe clean with a damp cloth. Use a mild glass cleaner if necessary. Avoid abrasive cleaners or harsh chemicals that could damage the mirror surface or frame.
- **Cleaning the Frame:** Wipe the black frame with a soft, damp cloth. Dry thoroughly.
- **Avoid Impact:** Do not strike the mirror with hard objects, as this can cause the glass to break.

- **Environmental Conditions:** While approved for bathrooms, avoid prolonged exposure to excessive humidity or direct water spray to maintain the mirror's condition.

7. Troubleshooting

If you encounter any issues with your LINDBYN mirror, refer to the table below for common problems and solutions.

Problem	Possible Cause	Solution
Mirror feels unstable after mounting.	Improperly installed mounting hardware or unsuitable wall material.	Ensure wall plugs and screws are appropriate for your wall type and are securely fastened. Re-check installation steps.
Glass appears streaky after cleaning.	Residue from cleaning solution or dirty cloth.	Use a clean, lint-free cloth and a dedicated glass cleaner. Wipe dry immediately after cleaning.
Mirror surface is scratched.	Abrasive cleaning materials or sharp objects.	Scratches on glass are generally permanent. Prevent by using soft cloths and avoiding sharp objects near the mirror.
