

## Spigen ACS02625

# Spigen Ultra Hybrid MagFit Case Instruction Manual

Model: ACS02625 for iPhone 12 / iPhone 12 Pro

## 1. PRODUCT OVERVIEW

The Spigen Ultra Hybrid MagFit case is designed to provide protection for your iPhone 12 or iPhone 12 Pro while maintaining its original aesthetic. It features integrated magnets for MagSafe compatibility and utilizes Air Cushion Technology for shock absorption.

Image: Front and side view of the Spigen Ultra Hybrid MagFit case, showcasing its clear design and integrated MagSafe ring.

## 2. COMPATIBILITY

This case is specifically designed for the **iPhone 12** and **iPhone 12 Pro** models. Please verify your phone model before installation to ensure proper fit and function.

# Compatibility. Please check the model of the iPhone 12.

Image: A visual guide indicating that the case is compatible with 6.1-inch iPhone 12 and iPhone 12 Pro models, and not compatible with 6.7-inch iPhone 12 Pro Max or 5.4-inch iPhone 12 mini.

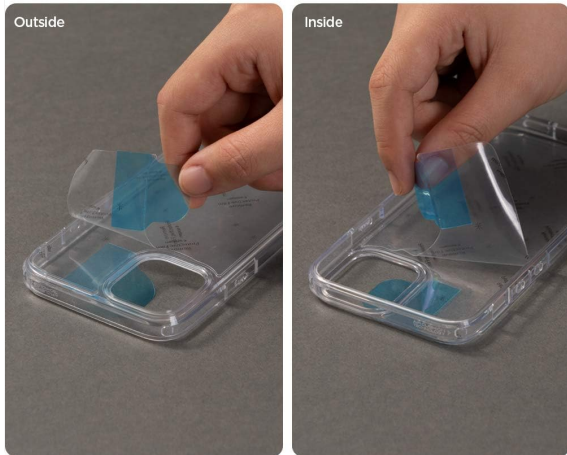

## 3. SETUP AND INSTALLATION

Follow these steps for correct installation of your Spigen Ultra Hybrid MagFit case:

- 1. Remove Protective Films:** Before installing the case, peel off both the interior and exterior protective films. Starting from a different step may lead to scratches on the product.

**Don't forget to remove the films.**

Please peel of both interior and exterior protection film before installing the case.

### Important

Please start from step 1. Starting from a different step may lead to scratches on the product.

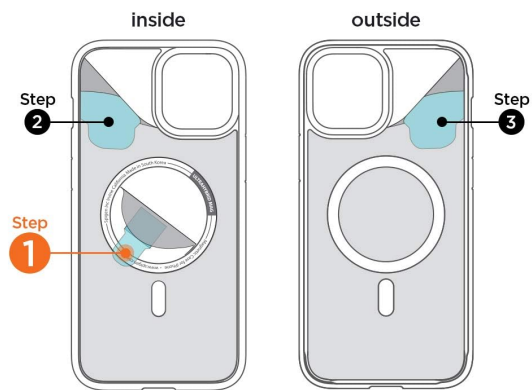

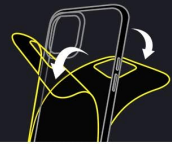

Image: Two images demonstrating the removal of protective films from both the outside and inside surfaces of the case.

- 
2. **Insert Phone:** Gently align your iPhone 12 or iPhone 12 Pro with the case, ensuring all buttons and ports are correctly positioned.
3. **Secure Fit:** Press the phone firmly into the case until it is fully seated and secure.

## 4. OPERATING AND FEATURES

- **MagSafe Compatibility:** The case features an integrated magnetic ring that ensures full compatibility with MagSafe accessories, allowing for secure attachment and efficient wireless charging.

Compatible with  
iPhone 12 & iPhone 12 Pro

Compatible with  
**MagSafe** products.

*\*MagSafe accessories not included.*

- **Enhanced Protection:**

- **Raised Bezels:** The case incorporates raised lips around the screen and camera area to protect against surface scratches when the phone is placed face down or on its back.

**Cap+ure** picture-perfect  
moment without blemishes.

**Raised lips** provide  
protection from  
surface scratches.

Image: A close-up view highlighting the raised edges around the phone's screen and camera module, designed for protection.

- **Air Cushion Technology:** Corners are reinforced with Air Cushion Technology to absorb impact from drops and bumps.
- **Tactile Buttons:** Designed for solid feedback and an easy press, ensuring full functionality of your phone's buttons.
- **Clear Design:** The transparent PC back case allows the original design and color of your iPhone to show through.

## 5. MAINTENANCE

To maintain the clarity and integrity of your Spigen Ultra Hybrid MagFit case:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust and smudges. Avoid harsh chemicals or abrasive materials.
- **Anti-Yellowing:** The case is designed with anti-yellowing properties to help preserve its clear appearance over time.

## 6. TROUBLESHOOTING

If you encounter any issues with your case, consider the following:

- **Improper Fit:** Ensure the case is correctly aligned and fully snapped onto your device. Re-installation may resolve minor fit issues.
- **MagSafe Connection Issues:** Verify that no debris is obstructing the magnetic connection points on either the case or the MagSafe accessory.
- **Button Responsiveness:** Confirm that the phone's buttons are properly aligned with the case's tactile buttons.

For further assistance, please contact Spigen customer support.
