5. MAINTENANCE

To ensure the longevity and appearance of your LEGO ECTO-1 model, follow these maintenance guidelines:

- **Cleaning:** Gently dust the model regularly with a soft brush or cloth. For deeper cleaning, use a mild soap solution and a soft cloth, then rinse with clean water and air dry. Avoid harsh chemicals.

- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration and material degradation.
- **Handling:** Handle the model with care, especially when moving it, to prevent small pieces from detaching.

6. TROUBLESHOOTING

Should you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** If you find any missing pieces, please contact LEGO Customer Service directly for replacements.
- **Assembly Difficulties:** Double-check the instruction manual for the specific step causing difficulty. Ensure all pieces are correctly oriented and firmly connected.
- **Loose Connections:** If parts feel loose, gently re-press them into place. Sometimes, a slight adjustment can secure the connection.
- **Functional Issues:** For features like steering or moving parts, ensure no pieces are obstructing the mechanism. Re-trace the assembly steps for that specific function.
