OPERATING THE GAME

Gameplay Overview

In Sackboy: A Big Adventure, you control Sackboy through vibrant 3D platforming levels. Your primary goal is to navigate challenges, defeat enemies, collect orbs, and ultimately stop Vex. The game supports both single-player and online multiplayer modes.

Key Features

- **Tempest 3D AudioTech:** Experience Craftworld's sounds all around you, enhancing immersion.
- **Haptic Feedback:** The DualSense controller provides tactile sensations, such as simulating the feel of different materials under Sackboy's feet.
- **Fast Loading:** Benefit from the PS5 console's ultra-high-speed SSD for quick loading times between and within levels, including during multiplayer sessions.
- **Online Multiplayer:** An internet connection and PlayStation Plus subscription are required for online multiplayer functionality.

MAINTENANCE

- **Disc Care:** Keep the game disc clean and free from scratches. Store it in its original case when not in use.
- **Console Ventilation:** Ensure your PlayStation 5 console has adequate ventilation to prevent overheating during extended gameplay sessions.
- **Software Updates:** Periodically check for and install game updates to ensure you have the latest features and bug fixes.

TROUBLESHOOTING

- **Game Not Starting:**
 - Ensure the disc is clean and inserted correctly.
 - Restart your PlayStation 5 console.
 - Check for any pending system software or game updates.

- **Game Freezing/Crashing:**

- Close the game application and restart it.
- Ensure your console's system software is up to date.
- If issues persist, try reinstalling the game.

- **Online Multiplayer Issues:**

- Verify your internet connection is stable.
- Confirm your PlayStation Plus subscription is active.
- Check PlayStation Network status for any service outages.
