AROMAPLAN DAP-102

AromaPlan Black Oil Diffuser - DAP-102 User Manual

Model: DAP-102 | Brand: AROMAPLAN

PRODUCT OVERVIEW

The AromaPlan scent diffuser, model DAP-102, is designed to provide an even and consistent fragrance experience in various spaces. Utilizing innovative technology, it converts liquid perfume into dry, vaporous microparticles, creating a practically invisible mist. This ensures uniform scent distribution throughout a room, unlike traditional methods where fragrance strength varies with proximity. The device is suitable for both business and home environments, effectively scenting spaces, controlling odors, and improving indoor air quality.

KEY FEATURES

- **Heatless & Waterless Atomizer Technology:** Converts liquid fragrance into a fine, dry mist without heat or water, preserving the integrity of the scent.
- **Wide Coverage:** Capable of scenting spaces up to 2,000 sq ft, ideal for small to medium rooms.

- **Bluetooth & App Control:** Easily adjust scent intensity, set schedules, and control the device via a dedicated mobile application (available for Android and iOS).
- **Automatic Mode:** Features an automatic operating mode for convenience.
- **Digital Concentration Settings:** Allows precise control over fragrance intensity.
- **Automatic Shut-Off:** Enhances safety and conserves fragrance.
- **Safe for Pets and Kids:** Designed with safety in mind, producing no residue.
- **Flexible Installation:** Can be installed on the floor or mounted on a wall.

SETUP GUIDE

1. **Unboxing:** Carefully remove the diffuser and all accessories from the packaging.
2. **Power Connection:** Connect the power adapter to the diffuser and plug it into a suitable electrical outlet. The device operates on corded electric power.

3. Fragrance Oil Installation:

- Locate the fragrance oil compartment on the diffuser.
- Unscrew the cap from your AromaPlan fragrance oil bottle.
- Carefully insert the fragrance oil bottle into the designated slot, ensuring it is securely seated.
- Close the compartment. *Note: Some users have reported issues with the locking mechanism; ensure the bottle is fully inserted before attempting to lock.*

4. **Placement:** The diffuser can be placed on a flat surface (e.g., a table or cabinet) or mounted on a wall. Choose a location that allows for optimal scent dispersion throughout your desired area.

5. App Download & Connection:

- Download the exclusive AromaPlan app from your device's app store (available for Android and iOS).
- Open the app and follow the on-screen instructions to connect to your DAP-102 diffuser via Bluetooth.
- Once connected, you will be able to control the diffuser's settings.

OPERATING INSTRUCTIONS

The AromaPlan DAP-102 diffuser is primarily controlled through its dedicated mobile application, offering precise management of its functions.

1. **Power On/Off:** Use the AromaPlan app to turn the diffuser on or off. There is no physical on/off button on the device itself.
2. **Adjusting Scent Intensity:** Within the app, navigate to the intensity settings. You can digitally adjust the concentration level to suit your preference and the size of the space.
3. **Setting Schedules:** The app allows you to program specific operating schedules for the diffuser. You can set start and end times, as well as select specific days for operation. This feature enables automated scenting of your environment.
4. **Automatic Mode:** The diffuser features an automatic mode that can be activated via the app, allowing for consistent operation based on pre-set parameters.

 AromaPlan

**Powerful, Safe and
easy to install**

Ideal for SMALL & MEDIUM SPACES
Coverage: **up to 2,000 sq./ft.**

Coverage that ensures every area of your home, office, spa, or commercial space smells and feels like a 5-star hotel.

MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your AromaPlan diffuser.

- **Changing Fragrance Oils:** When changing fragrance oils, carefully remove the current bottle. Be aware that some residual oil may be present around the nozzle or in the compartment. It is recommended to wipe any spills with a clean, dry cloth.
- **Cleaning:** Periodically wipe the exterior of the diffuser with a soft, dry cloth to remove dust. Do not use abrasive cleaners or immerse the device in water.
- **Nozzle Maintenance:** If you notice a decrease in mist output, ensure the nozzle is clear of any obstructions. Do not attempt to disassemble the internal components.

AromaPlan

For optimal performance of your AromaPlan diffuser, use our exclusive collection of oil fragrances

We offer various sizes to perfectly match your diffuser

TROUBLESHOOTING

If you encounter issues with your AromaPlan DAP-102 diffuser, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Diffuser not turning on/off via app.	Bluetooth connection issue; App malfunction; Power supply issue.	Ensure Bluetooth is enabled on your device and the diffuser is within range. Restart the app. Check if the power adapter is securely connected and the outlet is functional.
Fragrance oil compartment key not locking.	Fragrance bottle not fully seated; Misalignment of the locking mechanism.	Ensure the fragrance oil bottle is pushed down completely into its slot. Gently jiggle the bottle to ensure proper alignment before attempting to lock.

Problem	Possible Cause	Solution
Oil leakage.	Improper bottle installation; Damaged bottle or seal.	Verify the fragrance bottle is installed correctly and tightly. Inspect the bottle for any cracks or damage. If leakage persists, contact customer support.
Noticeable noise during operation.	Normal operation sound; Obstruction in the atomization mechanism.	While designed to be quiet, a faint operational sound may be present. If the noise is excessive or unusual, ensure the diffuser is on a stable, flat surface and there are no obstructions around the air intake/output.
Weak or inconsistent scent output.	Low fragrance oil level; Clogged nozzle; Incorrect intensity setting.	Check the fragrance oil level and refill if necessary. Ensure the nozzle is not obstructed. Increase the intensity setting via the app.

SPECIFICATIONS

Brand	AROMAPLAN
Model Number	DAP-102
Manufacturer	Brucke Group LLC
Product Dimensions	30.48 x 12.7 x 25.4 cm; 1.43 kg
Color	Black
Scent	Scented (refers to the type of product, not an included scent)
Special Feature	Automatic Shut-Off
Power Source	Corded Electric
ASIN	B08NM35N1D
Date First Available	December 4, 2020

WARRANTY AND SUPPORT

For specific warranty information regarding your AromaPlan DAP-102 diffuser, please refer to the documentation included with your product at the time of purchase or visit the official AromaPlan website. Warranty terms and conditions may vary.
