OPERATING INSTRUCTIONS

LED Lights Operation

The vanity mirror is equipped with dimmable LED lights to provide optimal illumination for makeup application.

- **Turning On/Off:** Press the power button located on the mirror frame to turn the LED lights on or off.
- **Adjusting Brightness:** To dim or brighten the lights, press and hold the power button. The brightness will cycle through its range, release the button when the desired brightness is achieved.

Other storage

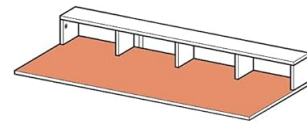

A hairdryer holder and a metal organizer which can put your brushes

MAINTENANCE

To ensure the longevity and appearance of your VASAGLE Vanity Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a dry cloth for general dusting. For more thorough cleaning, use a damp cloth and then immediately dry with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these can damage the finish of the particleboard, steel, and glass components.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the surface.
- **Stability Check:** Periodically check all screws and connections to ensure they are tight. Re-tighten if necessary to maintain stability.

TROUBLESHOOTING

If you encounter any issues with your vanity desk, consider the following common solutions:

- **Wobbly Desk/Stool:** Ensure all screws and bolts are securely tightened. Check that the desk is

placed on a flat, even surface. Adjust leveling feet if present.

- **Drawers Not Closing Properly:** Verify that the drawer slides are correctly installed and aligned. Ensure no objects are obstructing the drawer's path.
- **LED Lights Not Working:** Check the power connection. Ensure the power button is pressed correctly. If the issue persists, contact customer support.
- **Loose Mirror Bulbs:** While the bulbs are designed to sit in their openings, ensure they are fully seated. If any bulb is not functioning, check its connection.
