Yamipho Bluetooth Headset

USER MANUAL

1. INTRODUCTION

Thank you for choosing the Yamipho Bluetooth Headset. This manual provides detailed instructions on how to set up, operate, and maintain your new headset. Please read this manual carefully before use to ensure optimal performance and longevity of your device.

2. PRODUCT OVERVIEW

2.1 Key Features

- **Latest Bluetooth 5.0 & CSR Technology:** Ensures stable connection and clear sound.
- **Comfortable Wearing:** 360° adjustable earpiece, ultra-lightweight (16.5g), with 3 different ear tip sizes for a secure fit.
- **Super Long Lasting Battery Life:** Up to 12 hours talk time, 11.5 hours music time, and 320 hours standby on a 1.5-hour charge.
- **Bluetooth Headset Multipoint:** Connects to two Bluetooth smartphones simultaneously.
- **Strong Multi-function Control:** Buttons for music playback, volume, Siri/voice assistant, call management (answer/end, reject, redial, mute).

2.2 Components and Controls

SIMPLE OPERATION

Image 2.1: Diagram illustrating the various buttons and ports on the Yamipho Bluetooth Headset, including volume controls, power button, multi-function button, and charging port.

- **Volume+ / Next Music Button:** Increase volume, skip to next track.
- **Volume- / Pre Music Button:** Decrease volume, go to previous track.
- **Turn On/Off Button:** Power the headset on or off.
- **LED Indicator:** Shows status (pairing, charging, connected).
- **Multi-function Button (MBF):** Play/pause music, answer/end calls, reject calls, redial, mute, activate Siri/voice assistant.
- **Charging Port:** Micro USB port for charging.

Sleek Design Comfortable Wearing

-  Light Weight
-  180° Rotation

-  Fit Auricle Perfectly
-  3 Eartips Choice

Image 2.2: The headset's sleek design and comfortable wearing options, highlighting its light weight, 180° rotation, and choice of 3 eartips for a perfect fit.

3. SETUP

3.1 Charging the Headset

Before first use, fully charge the headset. Connect the provided USB cable to the headset's charging port and the other end to a USB power source (e.g., computer, wall adapter). The LED indicator will show charging status and turn off when fully charged. A full charge takes approximately 1.5 hours.

Long-lasting Battery Life

Full Charge:
2 Hours

Call Time:
12 Hours

Standby:
320 Hours

Music Time:
11.5 Hours

Image 3.1: Visual representation of the headset's long-lasting battery life, indicating 2 hours for full charge, 12 hours call time, 320 hours standby, and 11.5 hours music time.

3.2 Pairing with a Device

1. Ensure the headset is turned off.
2. Press and hold the Power On/Off button until the LED indicator flashes red and blue alternately, indicating pairing mode.
3. On your smartphone or Bluetooth-enabled device, go to Bluetooth settings and turn Bluetooth on.
4. Search for available devices. Select "Yamipho Headset" (or similar name) from the list.

5. Once connected, the LED indicator will flash blue slowly, and you may hear a confirmation tone.

The headset supports multipoint connection, allowing two Bluetooth smartphones to connect simultaneously. After pairing the first device, disable its Bluetooth, then pair the second device. Re-enable Bluetooth on the first device, and both should connect.

4.5 Product Demonstration Video

Video 4.2: An official product video demonstrating the Bluetooth Business Headset with Microphone in various usage scenarios, including answering calls on the go.

5. MAINTENANCE

5.1 Cleaning

Gently wipe the headset with a soft, dry, lint-free cloth. Do not use harsh chemicals, cleaning solvents, or strong detergents. The ear tips can be removed and cleaned with mild soap and water, then thoroughly dried before reattaching.

5.2 Storage

When not in use, store the headset in a cool, dry place, away from extreme temperatures and direct sunlight. Avoid storing it with sharp objects that could scratch or damage the device.

5.3 Battery Care

To prolong battery life, avoid fully discharging the battery frequently. Charge the headset regularly, even if not in constant use. Do not expose the battery to high temperatures or attempt to disassemble it.

6. TROUBLESHOOTING

- **Headset won't turn on:** Ensure the headset is fully charged.
- **Cannot pair with device:**
 - Make sure the headset is in pairing mode (LED flashing red and blue).
 - Ensure Bluetooth is enabled on your device and it's within range (10 meters).
 - Try restarting both the headset and your device.
 - Clear previous Bluetooth connections on your device if you have too many.
- **No sound or poor sound quality:**
 - Check the volume levels on both the headset and your connected device.
 - Ensure the headset is properly connected to your device.
 - Move closer to your device to avoid interference.
 - Re-pair the headset with your device.
- **Short battery life:** Ensure the headset is fully charged before use. Battery performance may degrade over time with extensive use.

7. SPECIFICATIONS

Feature	Specification
Model Number	52161554
Connectivity Technology	Wireless (Bluetooth 5.0)
Wireless Communication Technology	Bluetooth
Compatible Devices	All Bluetooth-enabled devices (iOS and Android), iPhone, iPad, Samsung, Nokia, Huawei, Motorola, Xiaomi, HTC, Computer, Laptop, etc.
