CARE AND MAINTENANCE

To ensure the longevity and appearance of your patio furniture set, follow these care guidelines:

- **Cushion Covers:** The cushion covers are machine-washable. For cleaning, remove the covers and wash with warm soap and water. Allow to air dry completely before reattaching.
- **Wicker Frame:** The all-weather wicker can be cleaned with a soft cloth and mild soap and water. Rinse thoroughly and dry. Avoid harsh chemicals or abrasive cleaners.
- **Glass Tabletop:** Clean the tempered glass tabletop with a glass cleaner and a soft cloth.
- **Weather Protection:** While the materials are weather-resistant, storing cushions indoors during prolonged periods of rain or extreme weather will help preserve their condition.

MACHINE-WASHABLE COVERS

If you encounter any issues with your patio furniture set, consider the following common solutions:

- **Stability Issues:** Ensure all bolts and screws are securely tightened. Uneven surfaces can also affect stability; try repositioning the furniture.
- **Cushion Appearance:** If cushions appear flattened, fluff them regularly. For stains, follow the machine-washable cover instructions.
- **Wicker Damage:** Minor fraying can sometimes be carefully trimmed. For significant damage, contact customer support.
