Inateck 360° Protective Laptop Bag Case (13.3 Inch, Black Gray) Instruction Manual

Model: B08NTCLLB8

1. INTRODUCTION

Thank you for choosing the Inateck 360° Protective Laptop Bag Case. This product is designed to provide comprehensive protection and convenient portability for your laptop and accessories. Crafted with durable, water-resistant materials and featuring intelligent design elements, this case ensures your device remains safe from daily wear and tear, accidental bumps, and splashes.

2. PRODUCT FEATURES

- **360° Enhanced Protection:** The interior features a thick protective strip to prevent zipper scratches. Elastic shockproof cotton on the bottom and sides, combined with a soft flannel lining, offers all-round protection against scratches, dust, and shocks.
- **Elastic Handle:** A retractable PU handle allows the case to function as both a briefcase and a laptop sleeve. The handle can be hidden for easy placement into a backpack or extended for convenient carrying.
- **Waterproof Exterior:** The outer layer is constructed from splashproof 600D polyester fabric, safeguarding your device from accidental liquid spills.
- **Additional Storage:** A large front zipper pocket provides convenient space for power adapters, cables, a mouse, and other essential accessories.

3. COMPATIBILITY

This laptop sleeve is compatible with a wide range of devices. Please verify your device's dimensions against the internal dimensions provided below for the best fit.

- 14-inch MacBook Pro/Max M5/M4/M3/M2/M1 (A3434, A3112, A2918, A2992, A2779, A2442) 2021-2025 models
- 13.5-inch Surface Laptop 6/5, Surface Book 3
- 13.3-inch MacBook Air A1466, A1369

- 13-inch MacBook Pro Retina A1502, A1425
- 13-inch MacBook Pro/Air M2/M1 2010-2022 models
- 12.3-inch Surface Pro 3/4/5/6/7/8/9/X

Internal Dimensions: 32.5 x 23 x 2 cm (12.8 x 9 x 0.8 in)

External Dimensions: 35 x 25.5 x 4 cm (13.8 x 10 x 1.6 in)

4. USAGE INSTRUCTIONS

4.1 Inserting Your Laptop

1. Unzip the main compartment of the laptop bag.
2. Carefully slide your laptop into the main compartment. Ensure it sits snugly within the soft flannel lining for maximum protection.
3. Zip up the main compartment completely. The internal protective strip will prevent the zipper from scratching your device.

4.2 Utilizing the Accessory Pocket

1. Locate the large zipper pocket on the front of the bag.
2. Open the zipper and place your power adapter, charging cables, mouse, or other small peripherals inside.
3. Close the zipper securely to keep your accessories organized and safe.

4.3 Using the Elastic Handle

- **For Briefcase Mode:** Gently pull the PU handle upwards from its concealed position. The handle will extend, allowing you to carry the bag like a traditional briefcase.
- **For Sleeve Mode:** Push the PU handle downwards until it retracts and lies flat against the bag. This allows the case to be easily slipped into a larger backpack or travel bag.

5. CARE AND MAINTENANCE

- **Cleaning:** For minor spills or dirt, gently wipe the exterior with a damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Drying:** If the bag gets wet, allow it to air dry completely in a well-ventilated area, away from direct sunlight or heat sources.
- **Storage:** Store the bag in a cool, dry place when not in use to maintain its material integrity.
- **Avoid Washing:** Do not machine wash, bleach, iron, or dry clean the laptop bag, as this may damage the materials and protective coatings.

6. TROUBLESHOOTING

If you encounter any issues with your Inateck laptop bag, please consider the following:

- **Zipper Sticking:** Ensure the zipper path is clear of any fabric or debris. Apply a small amount of zipper lubricant if necessary.
- **Fit Issues:** Double-check your laptop's dimensions against the internal dimensions provided in the compatibility section. Overstuffing the bag can strain zippers and seams.
- **Water Resistance:** While the exterior is splashproof, it is not fully waterproof. Avoid submerging the bag in water or exposing it to heavy rain for extended periods.

7. SPECIFICATIONS

Attribute	Value
