Safety Information

To prevent injury, always exercise caution when opening and closing the drawers. Keep hands and fingers clear of the drawer opening. Always follow the assembly instructions carefully and use appropriate safety gear during assembly. Ensure the cabinet is placed on a level surface and utilize the provided wall attachment hardware for enhanced stability, especially in households with children or pets.

Assembly Instructions

This file cabinet is designed for ready-to-assemble installation. A detailed, step-by-step instruction manual is included with your product to guide you through the assembly process. It is recommended to review all steps before beginning and to have a second person assist with assembly for optimal ease and safety. Ensure all components are present and undamaged before starting.

Maintenance

To maintain the appearance and longevity of your file cabinet, regularly dust with a soft, dry cloth. For spills or marks, use a slightly damp cloth with a mild, non-abrasive cleaner, then wipe dry immediately. Avoid using harsh chemicals or abrasive cleaning tools, as these can damage the finish. Keep the cabinet away from direct sunlight and extreme temperature changes to prevent warping or fading.
