LKPower AC/DC Adapter

LKPower AC/DC Adapter User Manual

Compatible with RAVPower PD Pioneer Power Banks

1. INTRODUCTION

This manual provides essential information for the safe and efficient use of your LKPower AC/DC Adapter. This adapter is designed to provide power to or charge compatible RAVPower PD Pioneer power banks. Please read this manual thoroughly before use and retain it for future reference.

2. SAFETY INFORMATION

- Use only with compatible devices as specified.
- Do not expose the adapter to water, moisture, or extreme temperatures.
- Avoid dropping or subjecting the adapter to severe impact.
- Do not attempt to disassemble or modify the adapter. This will void the warranty and may cause damage or injury.
- Ensure proper ventilation when in use; do not cover the adapter.
- Unplug the adapter from the power outlet when not in use for extended periods.
- Keep out of reach of children.

3. PACKAGE CONTENTS

Verify that all items are present in your package:

- 1 x LKPower AC/DC Adapter Unit
- 1 x AC Power Cord

Figure 3.1: The LKPower AC/DC Adapter unit with its detachable AC power cord.

4. SETUP

1. **Connect the AC Power Cord:** Insert the two-prong connector of the AC power cord firmly into the corresponding port on the LKPower AC/DC Adapter unit.
2. **Plug into Power Outlet:** Insert the standard two-prong plug of the AC power cord into a wall power outlet (AC 100-240V).
3. **Connect to Device:** Plug the DC output connector from the adapter into the charging port of your compatible RAVPower PD Pioneer power bank.

Figure 4.1: The adapter connected to a power outlet and ready to charge a device.

5. OPERATING INSTRUCTIONS

Once connected as described in the Setup section, the adapter will automatically begin providing power or charging your compatible device. A small indicator light on the adapter unit may illuminate to show it is receiving power.

- **Charging:** When connected to a compatible power bank, the adapter will supply the necessary power for charging. Refer to your power bank's manual for specific charging indicators.
- **Disconnection:** To disconnect, first unplug the DC output connector from your device, then unplug the AC power cord from the wall outlet.

6. SPECIFICATIONS

The following are the technical specifications for the LKPower AC/DC Adapter:

Feature	Specification
---------	---------------

Input Voltage	AC 100-240V, 50/60Hz (Worldwide Compatible)
Output Power	Compatible with 18W and 45W RAVPower PD Pioneer Power Banks
Safety Features	Over Voltage Protection, Over Heat Protection
Total Cable Length	Approximately 127.8 inches (324.6 cm)
Adapter Unit Dimensions (L x W)	Approximately 4.2 x 1.8 inches (10.7 x 4.6 cm)
AC Power Cord Length	Approximately 79.3 inches (201.4 cm)

Figure 6.2: The detachable AC power cord component.

7. MAINTENANCE

- **Cleaning:** Disconnect the adapter from all power sources and devices before cleaning. Use a soft, dry cloth to wipe the surface. Do not use liquid cleaners or aerosols.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures. When storing, avoid tightly coiling the cables to prevent damage.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Adapter not powering on/charging	Not properly connected to power outlet or device. Faulty power outlet.	Ensure all connections are secure. Try a different power outlet. Verify device compatibility.
Adapter gets unusually hot	Poor ventilation. Overload.	Ensure the adapter is in a well-ventilated area. Disconnect and allow to cool. Ensure the connected device is compatible and not drawing excessive power.
Device not charging fully or slowly	Device issue. Cable issue.	Check your device's charging port. Try a different charging cable if applicable (though this adapter has an integrated DC cable).

9. WARRANTY AND SUPPORT

LKPower products are manufactured with quality in mind. This product comes with a standard manufacturer's warranty against defects in materials and workmanship. For specific warranty terms, please refer to the documentation included with your purchase or contact LKPower customer support.

If you encounter any issues or have questions regarding your LKPower AC/DC Adapter, please contact your retailer or visit the official LKPower support website for assistance. When contacting support, please have your product

model (AC/DC Adapter) and purchase information ready.
