HXWEIYE HY100150-300

HXWEIYE 300LED Purple Fairy Curtain Lights

INSTRUCTION MANUAL - MODEL HY100150-300

1. Introduction

Thank you for choosing the HXWEIYE 300LED Purple Fairy Curtain Lights. This manual provides essential information for the safe and effective use of your new lighting product. Designed for both indoor and outdoor decorative purposes, these USB-powered lights feature 8 lighting modes, a remote control with timer functions, and convenient rotatable hooks for easy installation. Please read these instructions carefully before installation and retain them for future reference.

2. Safety Information

- Operated with **5V Low Voltage** to ensure safety.
- The lights are designed not to overheat, minimizing any risk of electric shock or fire hazard.
- The product is **Waterproof (IP44)**, making it suitable for both indoor and outdoor decoration.
- Keep out of reach of small children and pets during installation and operation.
- Do not attempt to modify or repair the product. Contact customer support for assistance.

3. Package Contents

Please verify that all items listed below are included in your package:

- 1 x 9.8*9.8 ft 300LED Curtain Light
- 1 x RF Remote Controller
- 16 Sets Plastic Mounting Accessories/Clips

- 1 x 16.5 Feet Extension Cord
- 1 x Installation Instruction Manual (this document)

4. Setup Instructions

Follow these steps for proper installation:

1. **Install the Main Line:** Carefully install the main horizontal strand of the curtain lights in your desired location. Ensure it is securely fastened.
2. **Unroll Drop Wires:** Gently unroll each of the 10 vertical drop strings one by one. Avoid pulling forcefully to prevent tangling or damage.
3. **Shape the Wires:** Hold the top of each drop wire and gently shake it. The copper wire drop strings are flexible and will naturally fall into an "S" shape, allowing for easy adjustment of desired height and coverage.
4. **Utilize Hooks:** The curtain lights come with upgraded 360° rotation clips on each drop string, primarily for hooking onto curtains. They can be hung at any angle on various surfaces like walls, windows, porches, or eaves. Additionally, 16 sets of damage-free adhesive hooks are included for alternative mounting without nails.
5. **Power Connection:** Connect the USB plug to a compatible USB charger, power bank, laptop, or cellphone adapter. The 16.5 ft long power cord provides ample reach.

REMOVE BEFORE USE

Image 4.1: Visual guide for installing the 300LED curtain lights, detailing the main strand, drop strings, and USB power connection points.

Image 4.2: Detail of the 360° rotatable hooks and adhesive hooks for versatile hanging options.

5. Operating Instructions

Your HXWEIYE Fairy Curtain Lights are controlled by a 17-key wireless remote. Ensure the remote is aimed at the USB receiver for optimal functionality (effective distance 10-15 meters).

300L LED CURTAIN FAIRY LIGHTS

STEP1: Install the main line properly.

STEP2: Unroll the 10 Drop Wires One by One.

STEP3: Hold the top of the wire and gently shake it.
The wire will naturally fall in an "S" shape.

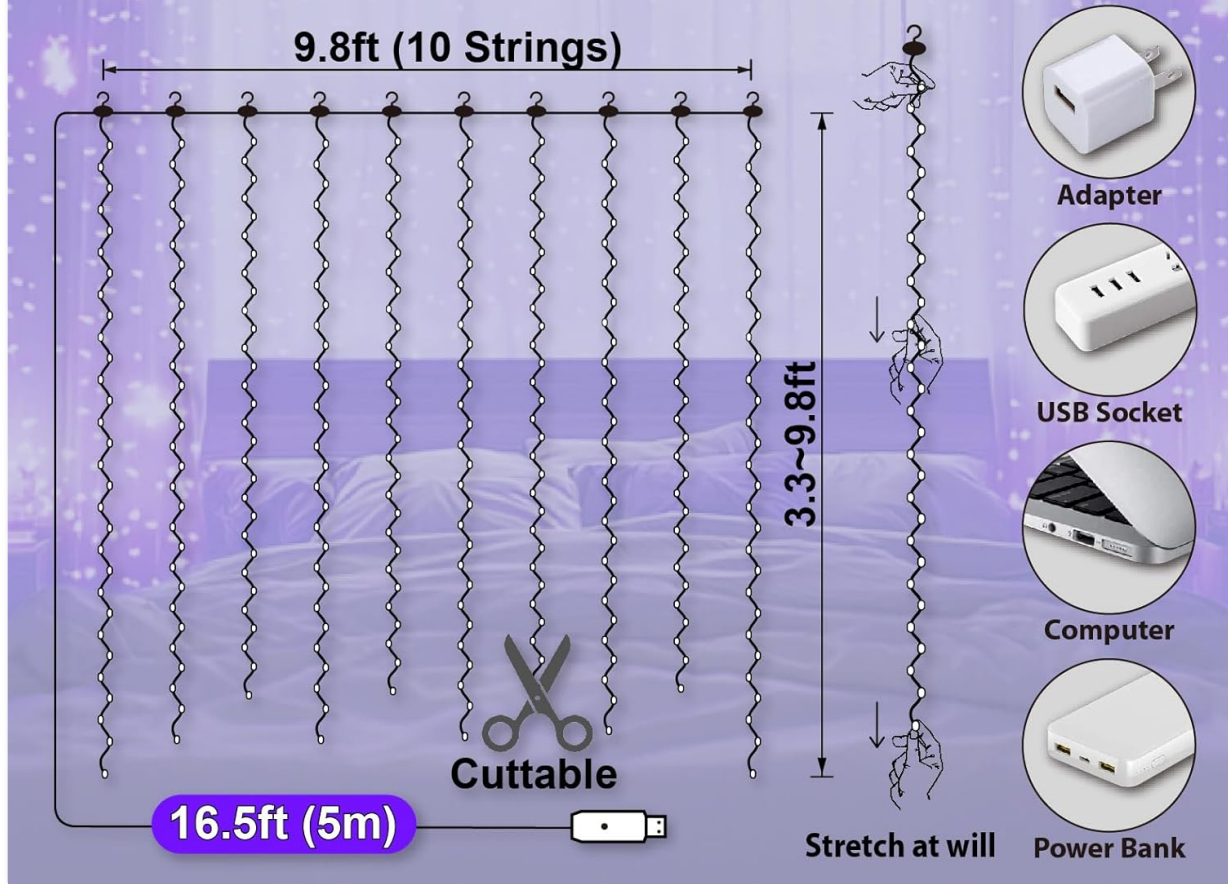

Image 5.1: Remote control layout with functions for power, modes, timer, and brightness adjustment.

Remote Control Functions:

- **ON/OFF:** Press the red 'ON' button to turn the lights on, and the green 'OFF' button to turn them off.
- **Mode Selection (1-8):** Use buttons '1' through '8' to cycle through the 8 different lighting modes.
- **Dimming:** Use the 'DIM+' and 'DIM-' buttons to adjust the brightness of the lights. There are 10 brightness levels.
- **Timer Functions:** Select from 4 timing modes: 2H, 4H, 6H, or 8H. When a timer is activated, the lights will stay on for the selected duration and then turn off for the remainder of a 24-hour cycle (e.g., 2H on, 22H off).

Lighting Modes:

The 8 available lighting modes are:

1. Combination
2. In Waves
3. Sequential
4. Slo-Glo

- 5. Chasing/Flash
- 6. Slow Fade
- 7. Twinkle/Flash
- 8. Steady On

Video Demonstration: Remote Control and Modes

Video 5.1: This video demonstrates the remote control functionality, including changing modes, dimming, and setting timers for the curtain lights. It shows how one remote can control multiple sets of lights.

Video 5.2: This video showcases the various lighting modes and the IP44 waterproof rating of the 300LED curtain lights, demonstrating their suitability for different environments and occasions.

6. Maintenance

- **Cleaning:** To clean the lights, gently wipe them with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, carefully coil the lights and store them in a cool, dry place away from direct sunlight and extreme temperatures. This helps prevent tangling and extends product life.
- **Inspection:** Periodically inspect the wires and LED bulbs for any signs of damage. If any damage is found, discontinue use and contact customer support.

7. Troubleshooting

- **Lights not turning on:** Ensure the USB plug is securely connected to a working power source. Check if the power source (e.g., USB adapter, power bank) is functioning correctly.
- **Remote control not working:** Ensure the remote control is aimed directly at the USB receiver. Check if the remote control battery needs replacement (1 Lithium Ion battery included). Remove any obstacles between the remote and the receiver.
- **Lights flickering or dim:** Verify the power source is providing stable 5V output. Try adjusting the brightness using the remote control.
- **Tangled wires:** During installation, unroll the drop wires one by one and gently shake them to prevent tangling. If tangled, carefully untangle them without excessive force.

8. Specifications

Feature	Detail
Brand	HXWEIYE
Model Number	HY100150-300
Color	Purple
Light Source Type	LED
Number of Light Sources	300

Dimensions	9.8 ft x 9.8 ft (Curtain Lights)
Lead Wire Length	16.5 ft
Power Source	Corded Electric (USB Powered)
Voltage	5 Volts
