

## KIWI 317310

# KIWI Instant Shine & Protect Liquid Shoe Polish Instruction Manual

Brand: KIWI | Model: 317310

## PRODUCT OVERVIEW

KIWI Instant Shine & Protect is a premium liquid shoe polish designed for ease of use and effective results. It delivers a long-lasting shine, provides color protection, and offers proven water protection for up to 7 days on leather shoes. This liquid polish contains carnauba wax and features a convenient, durable two-layer sponge applicator that buffs the shoe as the product is applied, helping shoes look new for an extended period. It is available in black, brown, and neutral shades to suit various shoe colors.

## Key Features:

- Provides long-lasting shine, color, and water protection for leather shoes.
- Features a durable two-layer sponge applicator that buffs as you apply.
- Formulated with carnauba wax for enhanced performance.
- Available in black, brown, and neutral colors.

## SETUP AND PREPARATION

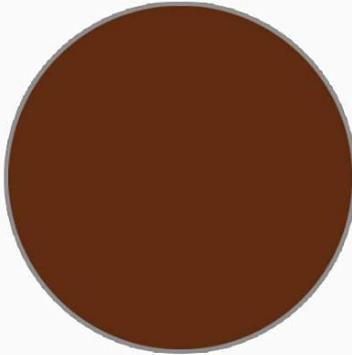

Before applying the polish, ensure your shoes are properly prepared to achieve the best results.

1. **Wipe any dirt off shoes with a clean cloth.** This step is crucial for a smooth and even application of the polish.

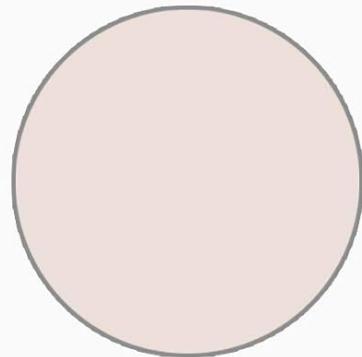

# AVAILABLE COLORS

**BLACK**

**BROWN**

**NEUTRAL**

## OPERATING INSTRUCTIONS

Follow these steps for effective application of KIWI Instant Shine & Protect Liquid Shoe Polish:

2. **Shake bottle well with cap on.** This ensures the polish is thoroughly mixed for consistent application.
3. **Invert bottle and gently press applicator against shoe to release polish. Spread evenly on surface of shoe.**  
The integrated sponge applicator allows for controlled dosage and even distribution.

## MAINTENANCE

Proper care of the applicator ensures its longevity and continued effectiveness:

4. **To keep applicator soft, rinse with warm water and replace cap after use.** This prevents the sponge from hardening and ensures it's ready for the next application.

## TROUBLESHOOTING

If you encounter any issues while using the product, consider the following:

- **Uneven application:** Ensure the bottle is shaken well before use and that the applicator is pressed firmly and evenly across the shoe surface.
- **Dull finish:** Make sure all dirt and debris are removed from the shoe surface prior to application. For best results, apply to clean, dry leather.

- **Applicator hardening:** Always rinse the applicator with warm water and replace the cap immediately after each use to prevent the sponge from drying out and hardening.

## SPECIFICATIONS

Attribute	Detail
Product Dimensions	1.58 x 5.51 x 5.91 inches; 10.93 ounces
Item Model Number	317310
Date First Available	November 23, 2020
Manufacturer	AmazonUs/SCJAB
ASIN	B08P3CD3WR

## SAFETY INFORMATION

For your safety and the best use of the product, please observe the following:

- Read warning and instructions on the product label.
- Follow the care instructions for the item you intend to treat.
- If in doubt, patch test KIWI products in a discreet area before treating the whole item.
- Protect your clothing, carpets and furniture before using KIWI products.
