ARTANY Star 5-Shelf Ladder Bookshelf Instruction Manual

Model: B08P64YSX4 | Brand: ARTANY

1. PRODUCT OVERVIEW

The ARTANY Star Bookshelf is designed for organizing spaces such as homes or offices. Its versatile design allows it to be used in living rooms, bedrooms, offices, home offices, and commercial spaces. It is suitable for storing books, boxes, files, and displaying decorative items. Constructed from 18mm thick MDP (Medium Density Particleboard), the bookshelf offers robustness and resistance to warping. The BP (Melamine) coating and PVC edges provide enhanced resistance to impacts, friction, and moisture, contributing to the furniture's durability.

6. MAINTENANCE

Proper maintenance will help preserve the appearance and durability of your bookshelf:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the BP coating.

- **Spills:** Clean up spills immediately to prevent staining or moisture damage.
- **Dusting:** Regularly dust with a dry, soft cloth to prevent buildup.
- **Avoid Heat:** Do not place hot items directly on the surface without protection.

7. TROUBLESHOOTING

- **Bookshelf wobbles:** Ensure the bookshelf is on a level surface. If necessary, use shims under the feet to stabilize it. Verify that any optional wall anchors are securely installed.
- **Surface marks/scratches:** For minor marks, a furniture repair pen matching the Freijó finish may be used. For deeper scratches, professional repair might be required.
- **Discoloration:** Prolonged exposure to direct sunlight can cause fading. Rotate items on shelves periodically to minimize uneven fading.
