Safety Information

- Always assemble the furniture on a soft, clean surface to prevent damage.

- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as needed.
- Do not exceed the maximum weight capacities for the chairs (360 lbs) and table (90 lbs).
- Keep children away from the assembly area. Small parts may pose a choking hazard.
- Avoid placing hot items directly on the rattan or cushions. Use coasters on the tempered glass tabletop.
- While the set is weather-resistant, prolonged exposure to extreme weather conditions (heavy rain, snow, strong winds) may reduce its lifespan. Consider covering or storing indoors during harsh weather.

Setup and Assembly

Assembly typically requires two adults. Please follow these general steps. Refer to the included assembly diagram for specific part identification and fastening points.

1. **Unpack Components:** Carefully remove all items from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Match all components and hardware with the parts list and assembly diagram.
3. **Assemble Chairs:**
 - Attach the backrest to the seat frame using the provided bolts. Do not fully tighten yet.
 - Connect the armrests to the seat and backrest.
 - Once all parts are loosely connected, place the chair on a level surface and gradually tighten all bolts evenly until secure.
4. **Assemble Coffee Table:**

- Attach the legs to the table frame.
- Place the tempered glass tabletop onto the table frame, ensuring it sits securely on the suction cups (if applicable).
- Tighten all bolts.

5. **Place Cushions:** Position the seat and back cushions onto the assembled chairs.

Operating and Usage

Your DORTALA patio furniture set is designed for comfortable outdoor relaxation. Here are some guidelines for optimal use:

- **Placement:** This set is suitable for various outdoor environments such as patios, balconies, poolside areas, and gardens. It can also be used indoors.
- **Cushion Care:** The cushions are designed for comfort. While made of quick-drying material, it is recommended to bring them indoors during rain or when not in use to keep them dry and clean, extending their lifespan.

- **Weight Limits:** Adhere to the maximum weight capacities: 360 lbs per chair and 90 lbs for the coffee table.
- **Stability:** The furniture is equipped with non-slip foot pads for added stability and floor protection. Ensure the furniture is placed on a level surface.

Maintenance

Regular maintenance will help preserve the appearance and functionality of your furniture set.

- **Cleaning the Frame:** Wipe the steel and PE rattan frame with a damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly.
- **Cleaning Cushions:** Spot clean cushions with a mild soap and water solution. Allow to air dry completely. Do not machine wash or tumble dry unless specified on the cushion care label.
- **Glass Tabletop:** Clean the tempered glass tabletop with a glass cleaner and a soft cloth.
- **Seasonal Care:** During off-seasons or periods of non-use, it is recommended to cover the furniture or store it in a dry, protected area to extend its life.
- **Hardware Check:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.

Troubleshooting

If you encounter any issues with your furniture set, consider the following common solutions:

- **Wobbling Chairs/Table:** Ensure all bolts are fully tightened. Check that the furniture is placed on a level surface. Adjust foot pads if present and adjustable.
- **Difficulty Assembling:** Re-read the assembly instructions carefully. Ensure you are using the correct hardware for each step. Do not fully tighten bolts until all parts are loosely connected.
- **Cushions Sliding:** If cushions tend to slide, consider adding non-slip pads underneath them (not included).
- **Rattan Damage:** For minor fraying, carefully trim loose strands. For significant damage, contact customer support.
