

vidaXL 323930

vidaXL Wall Mounted Picture Frame Ledge Shelves Instruction Manual

Model: 323930

1. INTRODUCTION

Thank you for choosing the vidaXL Wall Mounted Picture Frame Ledge Shelves. This manual provides essential information for the safe and correct installation, operation, and maintenance of your new shelves. Please read these instructions carefully before beginning installation and retain them for future reference.

These shelves are designed to provide a stylish and space-saving solution for displaying picture frames, small decorative items, and other lightweight objects. The set includes two white, lacquered MDF shelves, each measuring 31.5 inches in length, 3.5 inches in depth, and 1.2 inches in thickness.

2. SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product and property:

- **Wall Mounting:** Ensure the shelves are securely mounted to a suitable wall surface using appropriate hardware (not included). Consult a professional if you are unsure about the wall type or mounting method.
- **Weight Capacity:** Do not overload the shelves. Exceeding the recommended weight capacity can lead to the

shelves detaching from the wall, causing damage or injury.

- **Placement:** Avoid placing heavy or fragile items near the edge of the shelves where they could easily fall. The front edge provides some protection, but caution is advised.
- **Children and Pets:** Keep small children and pets away from the installation area during assembly. Do not allow children to climb on or hang from the shelves.
- **California Proposition 65 Warning:** This product is compliant with California's Proposition 65, which requires warnings for products that may contain chemicals known to the State of California to cause cancer and reproductive harm.

3. PACKAGE CONTENTS

Verify that all components are present before beginning installation. If any parts are missing or damaged, please contact vidaXL customer support.

- 2 x vidaXL Wall Mounted Picture Frame Ledge Shelves (White, Lacquered MDF)

Note: Mounting hardware (screws, wall anchors) is **not included** and must be purchased separately based on your wall type (e.g., drywall, concrete, wood studs).

4. SETUP AND INSTALLATION

The vidaXL Picture Frame Ledge Shelves are designed for easy wall mounting. No assembly of the shelves themselves is required.

Required Tools (Not Included):

- Pencil
- Measuring Tape
- Level
- Drill with appropriate drill bit for wall anchors
- Screwdriver (Phillips head recommended)
- Mounting hardware (screws and wall anchors suitable for your wall type and the weight of the shelves plus intended contents)

Installation Steps:

1. **Determine Placement:** Choose the desired location on your wall for the shelves. Use a pencil to mark the approximate position.
2. **Measure and Mark:** Hold one shelf against the wall at the desired height. Use a level to ensure it is straight. Mark the positions of the keyholes on the back of the shelf onto the wall with a pencil.

Image 4.1: Top view of a single shelf, highlighting the keyhole mounting slots.

3. **Drill Pilot Holes:** Using an appropriate drill bit for your wall anchors, drill pilot holes at the marked locations.
4. **Insert Wall Anchors:** Insert the wall anchors into the pilot holes until they are flush with the wall surface.
5. **Install Screws:** Drive screws into the wall anchors, leaving a small portion of the screw head exposed

(approximately 1/4 inch or 6mm). The screw head should be small enough to fit through the larger part of the keyhole but large enough to catch on the narrower slot.

6. **Mount Shelf:** Align the keyholes on the back of the shelf with the exposed screw heads. Slide the shelf down so the screws engage with the narrower part of the keyholes, securing the shelf to the wall. Gently pull on the shelf to ensure it is firmly attached.
7. **Repeat for Second Shelf:** Follow the same steps to install the second shelf, ensuring proper spacing and alignment if installing them together.

5. USAGE

These shelves are ideal for displaying a variety of decorative items and picture frames. The integrated front edge helps to prevent items from sliding off.

- **Display Items:** Arrange picture frames, small plants, figurines, or other decorative objects on the shelves.
- **Weight Distribution:** Distribute the weight of items evenly across the shelf to maintain stability.
- **Avoid Overloading:** Do not place excessively heavy items on the shelves. Refer to the specifications section for approximate weight capacity guidelines.

6. MAINTENANCE

To ensure the longevity and appearance of your vidaXL shelves, follow these simple maintenance instructions:

- **Cleaning:** Wipe the shelves with a dry, soft cloth to remove dust and light dirt. For more stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the lacquered finish.
- **Regular Checks:** Periodically check the mounting screws to ensure they remain tight and secure. Retighten if necessary.
- **Environmental Conditions:** Avoid exposing the shelves to extreme temperatures or high humidity, which can affect the MDF material.

7. TROUBLESHOOTING

If you encounter any issues with your shelves, consider the following common solutions:

- **Shelves are not level:** Ensure your pilot holes were drilled accurately and that the screws are inserted at the correct depth. Adjust screw depth if possible, or remount if necessary. Use a level during installation.
- **Shelves feel loose:** Check that the mounting screws are fully engaged in the keyholes and are tightened securely into the wall anchors. Ensure the wall anchors are appropriate for your wall type and installed correctly.
- **Damage during installation:** If the shelves are damaged during installation, discontinue use and contact customer support for assistance.

8. SPECIFICATIONS

Feature	Detail
Model Number	323930
Brand	vidaXL
Material	Lacquered MDF
Color	White
Dimensions (each shelf)	31.5" (W) x 3.5" (D) x 1.2" (H)
