MAINTENANCE AND CARE

To ensure the longevity and appearance of your bamboo desk organizer, follow these care guidelines:

- Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the bamboo finish.
- Drying:** After cleaning, dry the organizer immediately with a clean, dry cloth to prevent moisture absorption.
- Environment:** Keep the organizer in a dry environment. Avoid placing it near heat sources or in direct sunlight for extended periods, which can cause the bamboo to dry out, crack, or warp.
