# Dfit Adjustable Working Cap User Manual

Model: B09S9L9JRG

## INTRODUCTION

---

The Dfit Adjustable Working Cap is designed for comfort and functionality in various work environments. Made from 100% cotton, it features an integrated sweatband, an elastic back for adjustability, and buttons to secure mask straps, reducing ear discomfort. This manual provides essential information on how to use and care for your working cap.

## SETUP AND ADJUSTMENT

---

The Dfit Working Cap is designed for easy wear and adjustment to fit various head sizes and hair types.

- 1. Placement:** Position the cap on your head, ensuring it covers your hair as desired.
- 2. Adjusting Tightness:** The cap features an elastic bandage at the backside. Gently pull the tie-back straps to adjust the tightness for a comfortable and secure fit.
- 3. Securing Mask Straps:** Buttons are strategically placed around the ear side of the cap. Loop the elastic straps of your face mask around these buttons to relieve pressure on your ears during extended wear.

## OPERATING INSTRUCTIONS

---

The Dfit Working Cap is designed to provide comfort and hygiene in various professional and personal settings.

- **Hair Containment:** Wear the cap to effectively contain hair, preventing it from falling into work areas or obstructing vision.
- **Sweat Absorption:** The integrated sweatband is designed to absorb perspiration, keeping your forehead dry and comfortable during prolonged use.
- **Mask Comfort:** Utilize the side buttons to attach face mask straps, significantly reducing ear strain and discomfort.

### MAINTENANCE

Proper care will ensure the longevity and hygiene of your Dfit Adjustable Working Cap.

- **Washing:** Hand wash the cap with cool water and a mild detergent. Avoid harsh chemicals or bleach.
- **Drying:** After washing, gently reshape the cap and hang it to air dry. Do not tumble dry, as this may damage the fabric or elastic.
- **Storage:** Store the cap in a clean, dry place when not in use.

### TROUBLESHOOTING

If you encounter any issues with your Dfit Adjustable Working Cap, refer to the following common solutions:

- **Cap feels too tight or too loose:** Adjust the elastic bandage and tie-back straps at the rear of the cap to achieve a more comfortable fit.
- **Mask straps slipping off buttons:** Ensure the mask straps are securely looped around the buttons.

If the straps are very thin, you may need to loop them twice.

- **Sweatband not absorbing effectively:** Ensure the cap is clean and dry. The sweatband's effectiveness can be reduced if it is saturated or soiled.

## SPECIFICATIONS

---

Feature	Detail
Product Dimensions	5.91 x 3.94 x 1.97 inches
Weight	5.61 ounces
Department	Unisex-adult
