6. MAINTENANCE

To ensure the longevity and optimal performance of your Deco mini7W tablet:

- **Cleaning:** Use a soft, dry cloth to gently wipe the tablet surface and stylus. Avoid abrasive materials or harsh chemicals.
- **Storage:** Store the tablet and stylus in a cool, dry place away from direct sunlight and extreme temperatures.
- **Nib Replacement:** Replace the stylus nibs when they show signs of wear to maintain drawing accuracy. Use the included pen-clipper for easy replacement.

7. TROUBLESHOOTING

If you encounter issues with your Deco mini7W tablet, consider the following:

- **No Pen Response:** Ensure the tablet is properly connected (wired or wireless) and powered on. Verify that the drivers are correctly installed and updated.
- **Inaccurate Cursor:** Recalibrate the tablet through the driver settings. Check for any interference if using a wireless connection.
- **Custom Keys Not Working:** Confirm that the custom keys are correctly configured in the driver software. Ensure the driver application is running in the background.
- **Connectivity Issues:** For wireless, try reconnecting the USB dongle or restarting your computer. For wired, try a different USB port or cable.
