Marea B59005/1

Marea Smart Watch B59005/1 User Manual

Model: B59005/1

INTRODUCTION

This manual provides essential instructions for the setup, operation, and maintenance of your Marea Smart Watch B59005/1. Please read this guide thoroughly to ensure proper use and to maximize the functionality of your device.

Image: The Marea Smart Watch B59005/1, featuring a rose gold case and a black silicone strap. The screen displays various application icons. A second, smaller watch with a rose gold mesh strap is also shown, displaying time, step count, and calorie burn.

SETUP

1. Charging the Device

Before initial use, fully charge your Marea Smart Watch. Connect the provided charging cable to the watch's charging port and a standard USB power adapter. A full charge typically takes approximately 2 hours. The battery capacity is 180 mAh, providing up to 3 days of normal use.

2. Attaching the Strap

Your watch comes with a strap. Align the pins on the strap with the holes on the watch casing and slide them into place until they click securely. Ensure both sides of the strap are firmly attached.

3. Powering On and Initial Pairing

1. Press and hold the side button to power on the watch.
2. Download the official Marea Smart Watch application from your smartphone's app store (iOS or Android).
3. Open the app and follow the on-screen instructions to create an account or log in.
4. Enable Bluetooth on your smartphone and within the app, search for your Marea Smart Watch.
5. Select your watch from the list of available devices to complete the pairing process. Confirm any pairing requests on both your watch and smartphone.

OPERATING INSTRUCTIONS

1. Basic Navigation

- **Touchscreen:** Swipe left, right, up, or down to navigate through menus and features on the 1.09-inch screen. Tap to select an option.
- **Side Button:** Press the side button to return to the home screen or to wake the device. A long press may power off the device.

2. Key Features

- **Activity Tracking:** Monitor steps, distance, and calories burned. Access this feature by swiping through the watch interface.
- **Notifications:** Receive alerts for calls, messages, and app notifications directly on your watch. Ensure notification permissions are enabled in the companion app.
- **Menstrual Cycle Control:** Utilize the dedicated feature to track and manage menstrual cycles. Input relevant data through the companion app for personalized insights.
- **Calculator:** Access the calculator function directly from the watch's application menu for quick calculations.
- **Sleep Monitoring:** The watch can track sleep patterns. Wear the watch during sleep to record data, which can be viewed in the app.

3. Water Resistance (IP68)

The Marea Smart Watch B59005/1 is rated IP68, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for up to 30 minutes. It is suitable for daily use, such as hand washing or light rain. Avoid hot water, saunas, or diving, as these conditions may compromise the water resistance.

MAINTENANCE

- **Cleaning:** Regularly clean your watch and strap with a soft, dry cloth. If necessary, use a slightly damp cloth with mild soap, then wipe dry. Avoid harsh chemicals or abrasive materials.
- **Strap Care:** Ensure the strap is clean and dry, especially after exercise or exposure to water, to prevent skin irritation.
- **Storage:** When not in use for extended periods, store the watch in a cool, dry place.
- **Battery Longevity:** To prolong battery life, avoid extreme temperatures and fully discharge and recharge the battery periodically.

TROUBLESHOOTING

- **Watch not powering on:** Ensure the watch is fully charged. If it still doesn't turn on, try connecting it to the charger for a few minutes.
- **Cannot pair with smartphone:**

- a. Ensure Bluetooth is enabled on both devices.
 - b. Make sure the watch is within range of your smartphone.
 - c. Restart both the watch and the smartphone.
 - d. Check if the companion app is updated to the latest version.
- **Notifications not appearing:**
 - a. Verify that notification permissions are granted to the Marea app on your smartphone.
 - b. Ensure the watch is connected via Bluetooth.
 - c. Check the app's settings to confirm which notifications are enabled.
 - **Inaccurate activity data:** Ensure the watch is worn snugly on your wrist. Calibrate the app if an option is available.
