Diversey Vectra

Diversey Vectra Floor Finish Instruction Manual

Model: Vectra | 5 Gallon

1. PRODUCT OVERVIEW

Diversey Vectra Floor Finish is a high-performance, durable floor finish designed to provide a long-lasting shine and protection for various floor surfaces. This product is formulated for professional use in commercial and institutional settings.

2. SAFETY INFORMATION

Always read and understand the Safety Data Sheet (SDS) before using this product. Follow all local, state, and federal regulations for handling and disposal of chemicals.

- **Personal Protective Equipment (PPE):** Wear appropriate PPE, including safety glasses or goggles, chemical-resistant gloves, and protective clothing, to prevent skin and eye contact.
- **Ventilation:** Use in a well-ventilated area. If ventilation is inadequate, use respiratory protection.
- **First Aid:**
 - **Eyes:** Rinse immediately with plenty of water for at least 15 minutes. Seek medical attention if irritation persists.
 - **Skin:** Wash thoroughly with soap and water. Remove contaminated clothing.
 - **Inhalation:** Move to fresh air. If breathing is difficult, administer oxygen. Seek medical attention.
 - **Ingestion:** Do NOT induce vomiting. Rinse mouth with water. Drink 1-2 glasses of water. Seek medical attention immediately.
- **Storage:** Store in a cool, dry, well-ventilated area away from incompatible materials and direct sunlight. Keep container tightly closed.
- **Disposal:** Dispose of contents and container in accordance with local, regional, national, and international regulations.

Keep out of reach of children.

3. PREPARATION AND APPLICATION

Proper preparation is crucial for optimal results. Refer to the product label for specific instructions and dilution ratios.

3.1. Floor Preparation Before Application

1. **Strip Floor:** Completely strip the floor of all old finish using a recommended Diversey stripper according to label directions.
2. **Rinse Thoroughly:** Rinse the floor thoroughly with clean water to remove all stripper residue. Allow the floor to dry completely.
3. **Neutralize (if necessary):** If required, neutralize the floor with a recommended Diversey neutralizer according to label directions. Rinse and allow to dry completely.
4. **Dust Mop:** Dust mop the floor to remove any loose debris.

3.2. Application Instructions

1. **Apply Finish:** Apply 2-3 coats of undiluted Vectra Floor Finish using a clean finish mop or applicator.
2. **Even Coats:** Apply thin, even coats. Avoid puddling.
3. **Drying Time:** Allow each coat to dry completely (approximately 30-45 minutes) before applying the next coat. Drying time may vary depending on humidity and temperature.
4. **Curing Time:** Allow the finish to cure for at least 24 hours before burnishing or heavy traffic.

4. MAINTENANCE

Regular maintenance will extend the life and appearance of your floor finish.

- **Daily Cleaning:** Dust mop or sweep daily to remove loose dirt and debris.
- **Damp Mopping:** Damp mop with a neutral floor cleaner (e.g., Diversey Stride) as needed.
- **Spray Buffing/Burnishing:** For enhanced gloss and durability, spray buff or burnish regularly using a recommended Diversey product and equipment.
- **Restorative Cleaning:** Periodically deep clean the floor using a recommended Diversey cleaner and re-apply additional coats of Vectra as needed.

5. STORAGE

Store the product in its original, tightly sealed container in a cool, dry, well-ventilated area. Protect from freezing. Do not store in direct sunlight or near heat sources. Optimal storage temperature is between 40°F (4°C) and 100°F (38°C).

6. SPECIFICATIONS

Feature	Detail
Brand Name	Diversey
Product Name	Vectra Floor Finish
Item Form	Liquid
Specific Uses For Product	Floor
Surface Recommendation	Floor
Item Volume	5 Gallons (640.0 Fluid Ounces)

Contains Liquid Contents?	Yes
Number of Items	1
ASIN	B08PD4BXP3
Date First Available	December 15, 2021

7. TROUBLESHOOTING & SUPPORT

For specific issues or technical support, please contact Diversey customer service. Ensure you have the product name and batch number available when contacting support.

Common Issues:

- **Streaks/Uneven Application:** Ensure the floor is thoroughly clean and dry before application. Apply thin, even coats.
- **Poor Adhesion:** Ensure all old finish and stripper residue are completely removed and the floor is properly rinsed and neutralized.
- **Dull Finish:** Ensure sufficient coats are applied and allowed to cure. Regular burnishing can restore shine.

Contact Information: Please refer to the Diversey official website or product packaging for the most current customer support contact details.
