4.2 Pairing with Your Device

Follow these steps to pair your earbuds with a Bluetooth-enabled device:

1. Remove both earbuds from the charging case. They will automatically power on. A blue light will indicate they are powered on.

2. Wait for the voice prompt "Pairing, Left Channel, Right Channel." This confirms the earbuds are synced with each other.

3. On your device (smartphone, tablet, etc.), go to the Bluetooth settings menu.

4. Search for available devices and select "**Cellet_EB600**" from the list.

5. Once connected, both earbuds will flash blue approximately every 8 seconds, indicating a successful connection.

CONVENIENT CHARGING/STORAGE CASE

Bluetooth Version: V5.0
Bluetooth Distance: 10M
Earbuds Battery: 45mAh*2
Waterproof Level: IPX5

Charging Case Battery: 300mAh
Charging Time: About 1.5 hours

5.2 Multifunction Button Controls

Each earbud features a multifunction button (touch control) for various operations:

- **Play/Pause Music:** Single press the button on either earbud.
- **Answer/End Call:** Single press the button on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold the button on either earbud during an incoming call.
- **Activate Voice Assistant:** Triple press the button on either earbud (if supported by your device).
- **Next Track:** Double press the right earbud button.
- **Previous Track:** Double press the left earbud button.

5.3 Voice Notifications

The earbuds provide voice notifications for incoming calls, battery level, and pairing status.

6. MAINTENANCE

6.1 Cleaning

Regularly clean the earbuds and charging case with a soft, dry cloth. Do not use harsh chemicals or abrasive materials. Ensure the charging contacts on both the earbuds and the case are clean and free of debris.

6.2 Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.

7. TROUBLESHOOTING

- **Earbuds not powering on:** Ensure the earbuds are charged. Place them in the charging case and connect the case to a power source.
- **Earbuds not pairing:** Make sure Bluetooth is enabled on your device. Ensure the earbuds are removed from the case and in pairing mode. Forget previous pairings on your device and try pairing again.
- **No sound from one earbud:** Try placing both earbuds back into the charging case, then remove

them simultaneously to re-sync. Check your device's audio settings.

- **Charging case not charging:** Verify the USB-C cable is securely connected to both the case and the power source. Try a different cable or power adapter.
- **Poor sound quality:** Ensure the earbuds are properly seated in your ears. Check for any obstructions in the earbud nozzles. Move closer to your paired device to avoid interference.

8. SPECIFICATIONS

| Model Name	EB600 (XG01)
