2. **Assemble the Main Bookshelf Frame:** Connect the side panels to the top and bottom panels using the designated hardware (e.g., cam locks, dowels). Ensure all connections are secure.
3. **Install Shelves:** Insert the fixed and adjustable shelves into the bookshelf frame. The bottom shelf can be adjusted to 3 levels.
4. **Attach the Fold-Out Desk Panel:** Secure the fold-out desk panel to the main bookshelf unit using the hinges. Ensure the hinges are correctly oriented for proper folding and unfolding.
