plusOne Dual Vibrating Arc Personal Massager User Manual

Model: 6705

1. INTRODUCTION

Thank you for choosing the plusOne Dual Vibrating Arc Personal Massager. This device is designed for personal use, offering targeted stimulation with its unique ergonomic shape and dual vibrating points. Constructed from body-safe silicone, it is waterproof and USB rechargeable for convenience and hygiene.

Please read this manual thoroughly before first use to ensure proper operation, maintenance, and safety.

2. SAFETY INFORMATION

- This device is intended for external personal use only.
- Consult a healthcare professional before use if you have any medical conditions or concerns.
- Discontinue use immediately if you experience any discomfort, pain, or irritation.
- Do not use the device if it appears damaged or if the charging cable is frayed.
- Keep out of reach of children.
- This product is not a medical device and is not intended to diagnose, treat, cure, or prevent any disease or health condition.
- Use only the provided charging cable.

3. PACKAGE CONTENTS

Your plusOne Dual Vibrating Arc Personal Massager package includes:

- 1 x plusOne Dual Vibrating Arc Personal Massager
- 1 x USB Charging Cable
- 1 x Instruction Manual (this document)

5. CHARGING INSTRUCTIONS

Before first use, fully charge your device. A full charge typically takes approximately 2 hours and provides up to 3 hours of continuous use.

1. Locate the charging port on the device. It is typically a small magnetic contact point.
2. Connect the USB charging cable to the device's charging port. The magnetic connection will secure it.
3. Plug the USB end of the cable into a standard USB power adapter (not included) or a computer's USB port.
4. The indicator light on the device will illuminate or flash to show it is charging.
5. Once fully charged, the indicator light will change or turn off. Disconnect the cable.

6. OPERATING INSTRUCTIONS

The plusOne Dual Vibrating Arc is designed for intuitive operation.

1. **Power On/Off:** Press and hold the power button (usually marked with a power symbol) for 3 seconds to turn the device on or off.
2. **Change Vibration Modes:** Once the device is on, press the power button briefly to cycle through the 5 available vibration settings.
3. **Explore:** Experiment with both ends of the arc to discover different sensations and find what works best for you.

7. CLEANING AND CARE

Proper cleaning and care will extend the life of your device and ensure hygienic use.

1. Always clean the device before and after each use.
2. Wash the device with warm water and a mild soap, or use a specialized toy cleaner.
3. Rinse thoroughly with clean water.
4. Pat dry with a lint-free cloth or allow to air dry completely before storing.
5. Do not use cleaners containing alcohol, petroleum, or acetone, as these can damage the silicone.
