- **Avoid Harsh Chemicals:** Do not use strong chemical cleaners on any part of the table.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight.

TROUBLESHOOTING

- **Wobbly Table:** If the table is wobbly after assembly, ensure all screws are fully tightened. Use the adjustable feet on the bottom of the legs to level the table on uneven floor surfaces.
- **Parts Missing or Damaged:** If any parts are missing or damaged upon arrival, please contact customer support for assistance.
- **Difficulty with Assembly:** Review the assembly video and step-by-step instructions. Ensure parts are oriented correctly before tightening screws. Do not force components together.
