

Oviala Palavas (Model 105648)

Oviala Palavas Rectangular Metal Garden Table 180 cm - Instruction Manual

Model: Palavas (105648)

1. INTRODUCTION

Thank you for choosing the Oviala Palavas Rectangular Metal Garden Table. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new garden table. Please read these instructions carefully before assembly and retain them for future reference.

The Oviala Palavas table is designed for outdoor use, offering a comfortable and robust solution for up to 8 people. Its metal construction is treated for corrosion resistance, making it suitable for various weather conditions.

2. SAFETY INFORMATION

- **Assembly:** Always assemble the table on a soft, clean surface to prevent scratches. Ensure all components are securely fastened before use.
- **Stability:** Place the table on a flat, stable surface to prevent tipping. Do not lean or sit on the edges of the table.
- **Weight Limit:** Do not overload the table. Distribute weight evenly across the surface.
- **Children:** Keep children away from the assembly area. Do not allow children to climb or play on the table unsupervised.
- **Weather Conditions:** While the table is weather-resistant, extreme weather conditions (strong winds, heavy snow) may require additional securing or storage.
- **Sharp Edges:** Handle components with care during assembly to avoid injury from sharp edges.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Tabletop (1)
- Table Legs (4)
- Assembly Hardware (screws, washers, Allen key)
- Instruction Manual (this document)

4. SETUP AND ASSEMBLY

Assembly is required for this table. It is recommended to have two people for easier and safer assembly. Please follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, non-abrasive surface (e.g., a blanket or cardboard) to prevent scratches.
2. **Attach Legs to Tabletop:**
 - Identify the four table legs and the tabletop.
 - Align each leg with the pre-drilled holes on the underside of the tabletop.
 - Insert the provided screws and washers. Hand-tighten all screws initially.

Image: A detailed view of the table's corner, illustrating how a leg connects to the tabletop structure.

3. **Tighten All Fasteners:** Once all legs are in place, use the provided Allen key to fully tighten all screws. Ensure they are snug but do not overtighten, as this can damage the material.
4. **Position the Table:** Carefully turn the table upright and place it in its desired location. Ensure it is stable and level.
5. **Check Stability:** Gently push down on all corners of the table to confirm it is stable and does not wobble. Adjust leg levelers if present, or reposition if necessary.

5. OPERATING AND USAGE

The Oviata Palavas table is designed for outdoor dining and seating. It comfortably accommodates up to 8 people.

- **Intended Use:** This table is intended for outdoor use in garden, patio, or terrace settings.
- **Seating Capacity:** The 180 cm length is designed to seat 6 to 8 individuals comfortably.
- **Surface Protection:** While durable, using placemats or coasters is recommended to protect the surface from scratches, hot items, or spills.
- **Movement:** When moving the table, lift it rather than dragging it to prevent damage to the legs or floor surface.

6. MAINTENANCE

Proper care will extend the life and appearance of your Oviaia Palavas garden table.

- **Cleaning:** Clean the table regularly with a soft cloth dampened with water and a mild soap. Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the finish.
- **Drying:** After cleaning, wipe the table dry with a clean, soft cloth to prevent water spots and minimize rust potential.
- **Corrosion Resistance:** The metal is treated for anti-corrosion. However, inspect the table periodically for any signs of wear or damage to the protective coating. Touch up any chips or scratches with appropriate outdoor metal paint to prevent rust.
- **Winter Storage:** During prolonged periods of non-use or harsh winter conditions, it is recommended to cover the table with a protective outdoor furniture cover or store it in a dry, sheltered area.
- **Leg Caps:** Ensure the protective caps on the table legs remain intact to prevent scratching floors and to protect the leg ends from moisture.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Table wobbles	Uneven surface; loose fasteners; damaged leg cap.	Ensure the table is on a flat surface. Tighten all assembly screws. Check and replace any damaged leg caps.
Scratches on surface	Abrasive objects; improper cleaning; impact.	Use placemats/coasters. Clean with soft cloth. For deep scratches, consider touch-up paint suitable for outdoor metal.
Rust spots appear	Damage to protective coating; prolonged exposure to moisture.	Clean the rust spot, sand lightly, and apply rust-inhibiting primer and outdoor metal paint. Ensure proper drying after rain.

8. SPECIFICATIONS

Brand	Oviala
Model Name	Palavas
Model Number	105648
Dimensions (L x W x H)	180 x 90 x 72 cm
Weight	29 Kilograms
Material	Alloy Steel (Metal Frame and Top)
Color	Pacific Blue
Shape	Rectangular
Assembly Required	Yes
Seating Capacity	8 people
