## 1. INTRODUCTION

This instruction manual provides essential information for the proper setup, operation, maintenance, and care of your mDesign Lumiere Collection Stackable Storage Organizer Bin with Pull-Out Drawer. Please read this manual thoroughly before use to ensure optimal performance and longevity of your product.

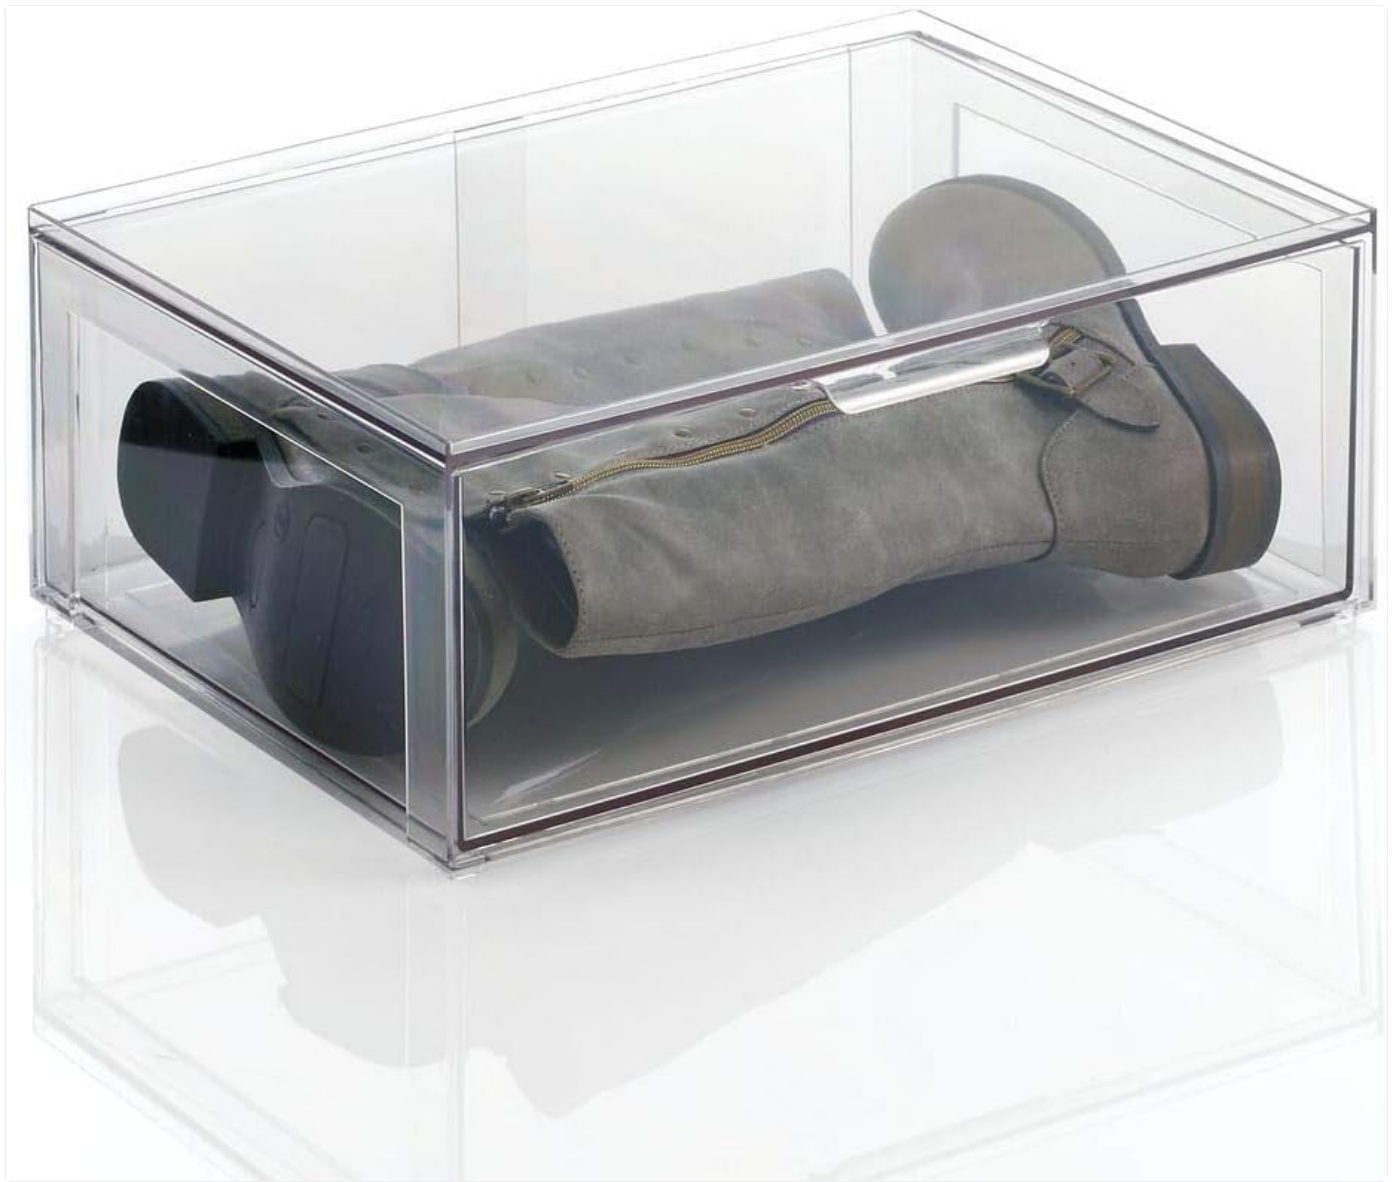

Figure 1: mDesign Lumiere Collection Stackable Storage Organizer Bin, Model 11873MDCO.

## 2. PRODUCT FEATURES

- **Clear Plastic Construction:** Allows for easy visibility of contents, simplifying organization and retrieval.
- **Stackable Design:** Engineered to stack securely, maximizing vertical storage space in various environments.
- **Integrated Pull-Out Drawer:** Features a smooth-gliding drawer for convenient access to stored items without disturbing stacked units.
- **Versatile Use:** Suitable for organizing items in closets, cabinets, desks, shelves, and dressers.
- **Durable Material:** Constructed from robust plastic for lasting use.

Figure 2: Illustration of the stackable design.

### 3. SETUP INSTRUCTIONS

1. **Unpack:** Carefully remove the storage bin from its packaging. Inspect for any damage.
2. **Clean:** Before first use, wipe the bin with a soft, damp cloth and mild soap. Rinse thoroughly and dry completely.
3. **Placement:** Position the bin on a flat, stable surface. Ensure adequate space for the drawer to pull out fully.
4. **Stacking (Optional):** If using multiple units, align the bottom grooves of the upper bin with the top edges of the lower bin for secure stacking.

Figure 3: Empty storage bin ready for setup.

## 4. OPERATING INSTRUCTIONS

---

The mDesign Lumiere Collection storage bin is designed for straightforward use to enhance organization.

- **Loading Items:** Place desired items into the pull-out drawer. The clear design allows for easy identification of contents.
- **Accessing Contents:** Gently pull the front handle of the drawer to slide it open. Push the drawer back in until it is fully closed.
- **Maximizing Space:** Utilize the stackable feature to create vertical storage solutions in closets, on shelves, or within cabinets.

Video 1: A short demonstration of the mDesign Stackable Closet Storage Box with Pull-Out Drawer in use, showing items being placed inside and the drawer sliding smoothly.

## 5. MAINTENANCE

---

To maintain the appearance and functionality of your storage bin:

- **Cleaning:** Wipe regularly with a soft, damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals, as these can scratch or damage the plastic.
- **Drying:** Ensure the bin is completely dry before storing items, especially if storing moisture-sensitive materials.
- **Avoid Overloading:** Do not exceed the weight capacity of the drawer or the stacked units to prevent damage.
- **Storage Conditions:** Store in a cool, dry place away from direct sunlight or extreme temperatures to prevent material degradation.

## 6. TROUBLESHOOTING

Issue	Possible Cause	Solution
Drawer sticks or does not slide smoothly.	Obstruction in the drawer track; drawer is overloaded; unit is not on a flat surface.	Check for debris in the tracks and remove. Reduce the weight of items in the drawer. Ensure the bin is placed on a level surface.
Stacked units feel unstable.	Units are not properly aligned; bottom unit is overloaded or on an uneven surface.	Realign the units, ensuring the grooves interlock correctly. Distribute weight evenly. Place on a firm, level surface.
Plastic appears cloudy or scratched.	Use of abrasive cleaners; contact with sharp objects.	Use only soft cloths and mild soap for cleaning. Avoid placing sharp objects directly against the plastic.

## 7. SPECIFICATIONS

- Brand:** mDesign
- Model Number:** 11873MDCO
- Material:** Plastic
- Product Dimensions:** 16" L x 12" W x 6" H (40.6cm L x 30.5cm W x 15.2cm H)
- Item Weight:** Approximately 4.84 pounds (2.2 Kilograms)
- Special Feature:** Stackable
- Water Resistance Level:** Not Water Resistant
- UPC:** 192173118733
