Safety Information

Please observe the following safety guidelines to ensure safe use of your furniture set:

- Ensure all components are securely fastened during assembly. Regularly check and tighten screws to prevent loosening.
- Cushions may not be fire-resistant. Keep them away from open flames or high heat sources.
- Be cautious of sharp edges during assembly and handling.
- Do not allow children to climb on the furniture unsupervised to prevent tip-over hazards.
- Distribute weight evenly on the table and chairs. Do not overload.
- Use the provided protective cover during adverse weather conditions to prolong the life of the furniture.

Product Components and Features

Your TecTake® Polyrattan Garden Furniture Set includes the following main components and features:

- 6 Dining Chairs with removable seat cushions.
- 1 Table with 3 glass plates.
- 4 Stools with cushions.
- 1 Protective cover.
- **High-Quality Polyrattan:** Expertly woven, long-lasting, and durable.
- **Sturdy Steel Frame:** Constructed with rust-free stainless steel screws for durability.
- **Comfortable Cushions:** Soft, 5 cm thick, removable seat cushions for enhanced comfort.
- **Safety Glass Tabletop:** Durable, scratch-resistant, and removable.
- **Space-Saving Storage:** Chairs and stools neatly fit under the dining table for compact storage.

Setup and Assembly

Assembly of the TecTake® Polyrattan Garden Furniture Set requires careful attention to detail. While straightforward, it may take some time to complete all components.

Assembly Steps:

1. Unpack all components and verify against the included parts list.
2. Begin with the chairs, following the provided assembly instructions. Ensure all screws are tightened securely but do not overtighten until all parts are aligned.
3. Assemble the stools next, using the same method as the chairs.
4. Proceed to assemble the table frame. Once the frame is stable, carefully place the glass plates into the designated

slots.

5. Once all components are assembled, go back and fully tighten all screws on all pieces of furniture.
6. Place the seat cushions on the chairs and stools.

An electric screwdriver with an Allen key fitting can significantly speed up the assembly process. Refer to the included assembly materials for detailed diagrams and instructions.

Operating and Usage

This garden furniture set is designed for versatile outdoor use, perfect for dining, relaxing, or entertaining guests.

Key Usage Points:

- **Dining:** The spacious table and comfortable chairs are ideal for outdoor meals.
- **Relaxing:** The thick cushions provide comfort for extended periods of relaxation.

- **Space Optimization:** When not in use, the chairs and stools are designed to slide completely under the table, thanks to their foldable backrests, saving valuable space on your patio or balcony.

Maintenance

Proper maintenance will ensure the longevity and appearance of your TecTake® Polyrattan Garden Furniture Set.

Cleaning and Care:

- **Frame and Rattan:** Wipe with a damp cloth to clean. For stubborn dirt, use a mild soap solution and rinse thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Cushions:** The polyester covers are water-repellent and hand-washable. Remove covers via the zipper for cleaning. Allow to air dry completely before reattaching. Consider applying a fabric protector like Scotchgard for additional water and stain resistance.
- **Glass Tabletop:** Clean with a standard glass cleaner and a soft cloth.

Weather Protection:

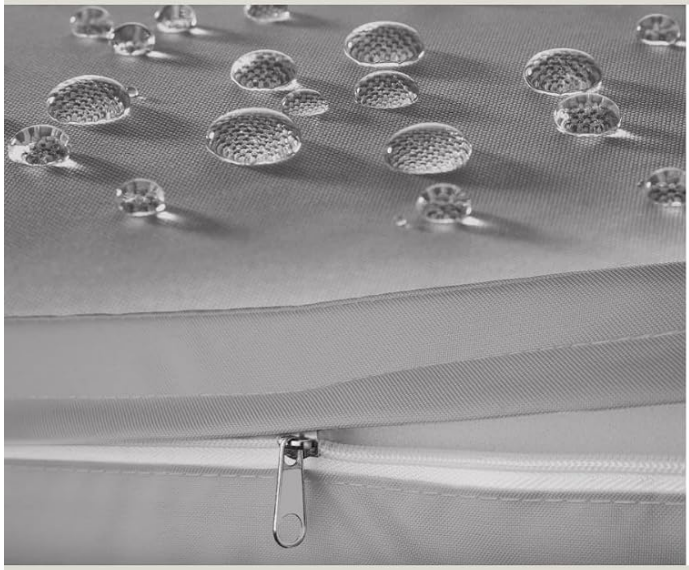

- The set includes a weather-resistant protective cover. Use this cover to protect the furniture from rain, wind, and sun when not in use, especially during prolonged periods of inactivity or adverse weather.
- While the cover offers protection, it may not be entirely waterproof in heavy downpours. For best results, store cushions indoors during heavy rain or winter months.

Thanks to their **foldable backrests**, the chairs can be stored completely under the table.

The **elegant safety glass tabletop** is removable as well as resistant to impacts, shock and weather.

Easy-care polyester covers are water-repellent, quickly removable via a zipper, and hand-washable.

The **weather-resistant protective cover** effectively protects your furniture from rain, wind and sun.

Troubleshooting

This section addresses common issues you might encounter with your garden furniture set.

- **Missing Parts:** If you find a piece missing during assembly, contact TecTake customer support immediately with details of the missing component.
- **Uneven Table/Chair Legs:** Ensure all screws are properly tightened. If the issue persists, check the assembly instructions to confirm all parts are correctly oriented. Slight adjustments to screw tightness can sometimes resolve minor imbalances.
- **Water Penetration on Cushions (despite cover):** The included cover provides protection, but in very heavy rain, some moisture may get through. For optimal protection, store cushions indoors during severe weather. Consider applying an additional waterproof spray to the cover or cushions.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure you are using the correct screws and

tools for each step. An electric screwdriver can assist with speed.
