## Y YOFUN YOFUN Create Your Water Bottle

# Y YOFUN Create Your Own Water Bottle Craft Kit Instruction Manual

Model: YOFUN Create Your Water Bottle

## INTRODUCTION

---

Thank you for choosing the Y YOFUN Create Your Own Water Bottle Craft Kit. This kit provides a fun and creative way for children to personalize their own 17 oz stainless steel vacuum insulated water bottle using a variety of rhinestone gem stickers. This manual contains important information regarding the setup, operation, maintenance, and safety of your product. Please read it thoroughly before use.

## PACKAGE CONTENTS

---

Ensure all items listed below are present in your package:

- 1 x 17 oz BPA-Free Stainless Steel Vacuum Insulated Water Bottle
- 7 x Sheets of Rhinestone Glitter Gem Stickers

# WHAT WILL YOU GET?

5 Sheets of gem stone stickers  
6 sheets of unicorn stickers

water bottle

## SETUP AND DECORATION INSTRUCTIONS

Follow these steps to personalize your water bottle:

1. **Prepare the Bottle:** Ensure the water bottle surface is clean and dry before applying stickers.
2. **Select Stickers:** Choose your desired rhinestone gem stickers from the provided sheets.
3. **Peel and Stick:** Carefully peel off each gem sticker from its backing.
4. **Apply to Bottle:** Press the sticker firmly onto the water bottle surface in your desired pattern. Smooth out any air bubbles.
5. **Repeat:** Continue applying stickers until your water bottle is uniquely decorated.

Figure 2: Step-by-step guide to decorating.

## OPERATING THE WATER BOTTLE

The water bottle features a secure lid designed for easy use and to prevent leaks.

- **Opening the Lid:** To open, slide the lock mechanism to the unlocked position, then press the button to flip open the lid.
- **Drinking:** The bottle is designed for direct sipping, not with a straw. Tilt the bottle to drink from the opening.
- **Closing the Lid:** Push the lid down firmly until it clicks into place. For added security and to prevent accidental opening, slide the lock mechanism back to the locked position.

The locking mechanism helps prevent spills, making it suitable for transport in bags without worrying about leakage.

## MAINTENANCE

Proper care will ensure the longevity of your decorated water bottle:

- **Hand Wash Only:** To preserve the integrity of the applied stickers and the bottle's insulation, hand wash the water bottle with mild soap and warm water.
- **Avoid Dishwasher:** Do not place the water bottle in a dishwasher, as high temperatures and harsh detergents can damage the stickers and the bottle's finish.
- **Drying:** Allow the bottle to air dry completely after washing.
- **Sticker Care:** Avoid scrubbing directly on the stickers to prevent peeling or damage.

## SAFETY INFORMATION

- **Age Recommendation:** This product is suitable for children aged 3 years and older.
- **Material Safety:** The water bottle is made from food-grade 304 stainless steel and co-polyester plastic, ensuring it is 100% BPA-free and toxic-free.
- **Supervision:** Adult supervision is recommended during the decoration process.
- **Choking Hazard:** Small parts (rhinestone gems) may pose a choking hazard for very young children. Keep out of reach of infants and toddlers.

# OUR MATERIAL IS MORE SAFE

**Food Grade 304  
Stainless Steel**

**INSULATED WATER BOTTLE**  
Non reactive  
Corrosion resistant

**Aluminium**

**REGULAR WATER BOTTLE**  
React to certain liquids  
May corrode

**More than 100 unicorns  
Tons of gem stickers**

## TROUBLESHOOTING

- **Lid Not Sealing:** Ensure the lid is properly aligned and pushed down firmly until it clicks. Check that the lock mechanism is engaged.
- **Stickers Not Adhering:** Make sure the bottle surface is clean, dry, and free of oils or residue before applying stickers. Press firmly on each sticker.
- **Liquid Temperature Retention:** For optimal insulation, pre-chill the bottle with cold water or pre-warm with hot water for 5-10 minutes before filling with your desired beverage.
