## 2. SAFETY INFORMATION

- Ensure the power source matches the product's voltage requirements.
- Do not overload electrical outlets.
- Keep away from flammable materials.
- Inspect the string lights for any damage before each use. Do not use if wires are frayed or bulbs are broken.
- The bulbs are shatterproof plastic, reducing the risk of breakage.
- The lights are IP65 waterproof, suitable for outdoor use in various weather conditions.

## 3. PACKAGE CONTENTS

Verify that all items are present in the package:

- 1 x 9.84 Ft Patio String Lights (with 10 bulbs)
- 2 x Spare Bulbs
- 2 x Spare Fuses

- 1 x User Instruction Manual (this document)

## 4. SETUP AND INSTALLATION

---

1. **Unpack:** Carefully remove the string lights and all components from the packaging.
2. **Inspect:** Check all bulbs and the wiring for any signs of damage. Ensure all bulbs are securely seated.
3. **Placement:** Determine the desired location for your string lights. These lights are suitable for indoor and outdoor environments such as patios, pergolas, gardens, bedrooms, or party areas.
4. **Hanging:** Securely hang the string lights using appropriate hooks or clips. Ensure the lights are not under excessive tension.
5. **Connection:** Plug the string lights into a standard electrical outlet. For longer installations, up to 10 strings of the same type can be connected end-to-end. The maximum rated power of the wires is 252W.

## 5. OPERATING INSTRUCTIONS

---

Once plugged in, the LED bulbs will illuminate, providing warm, colorful light. There are no additional controls for light modes on this specific model; the lights operate in a steady-on mode when powered.

## 6. MAINTENANCE

---

- **Cleaning:** Gently wipe the bulbs and wires with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Bulb Replacement:** If a bulb fails, unplug the string lights. Carefully remove the faulty bulb and replace it with one of the provided spare bulbs.
- **Fuse Replacement:** If the entire string fails to light, check the fuse located in the plug. Unplug the lights, slide open the fuse compartment, and replace the blown fuse with a spare.
- **Storage:** When not in use, store the string lights in a cool, dry place, away from direct sunlight and extreme temperatures. Coil the string neatly to prevent tangling.

## 7. TROUBLESHOOTING

---

- **Lights not turning on:**
  - Ensure the plug is fully inserted into a working electrical outlet.
  - Check the fuse in the plug and replace if blown (refer to Maintenance section).
  - Verify that all bulbs are securely screwed into their sockets.

- **Some bulbs are out:**
  - Unplug the string and replace the non-working bulbs with spare bulbs (refer to Maintenance section).
- **Lights flicker:**
  - Check all bulb connections to ensure they are tight.
  - Inspect the wiring for any loose connections or damage.

## 8. SPECIFICATIONS

---

Feature	Detail
Brand	Vigdur
Model Number	4213751
Color	Multicolor
Light Source Type	LED
