5.4. Opening Windows:

Some windows on the dollhouse exterior can be opened and closed, adding to the realistic play experience.

6. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight.
- **Storage:** Store the dollhouse in a dry environment away from direct sunlight to prevent warping or fading.
- **Battery Replacement:** For the electronic light and doorbell, replace batteries as needed. Refer to the battery compartment for specific battery type (usually located on the back or bottom of the electronic unit).

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Light or Doorbell not working	Dead batteries or incorrect battery installation.	Replace batteries with new ones, ensuring correct polarity.
Elevator not moving smoothly	Mechanism might be obstructed or rope is loose.	Check for any obstructions. Ensure the rope is properly threaded and tensioned.
Parts feel loose or wobbly	Screws may have loosened over time.	Carefully re-tighten all visible screws.
